Gov. Ridge Keynotes Dinner, Opens Farm Show

EVERETT NEWSWANGER
Editor

HARRISBURG (Dauphin Co.) - "Overrun by success!" That's what officials called the Pennsylvania Farm Show held this week in Harrisburg.

Because the official dinner at the Hilton located down town, late last week, literally overflowed out of the main ballroom into side rooms...

And because thousands of cars began to stream into the Farm Show Complex parking lot by 7 a.m. Saturday morning...

And because some venders in the exhibition halls had sold their week's supply of goods to the jam-packed crowd by Sunday night...

Farm Show officials were pleased with the visual evidence they had put together the greatest show ever in the 84-year history of the annual January event. "A fitting start to the new millennium," they said.

Even the famous blistering cold and snowy Farm Show weather worked in their favor. "Warmer than normal," the weatherman said.

It all started when the governor of Pennsylvania, Tom Ridge, gave the keynote address at the International Celebration 2000 dinner Friday night to kickoff the celebration. One-hundred-eighty dignitaries from 37 countries were guests of the Pennsylvania Department of Agriculture's aggressive export and trade commission efforts. In addition, hundreds of important people from every government and private sector of the food chain were present to make this the

The supreme champion gilt at the Pennsylvania Farm Show was a Duroc shown by Dave and Betty Holloway, Glen Rock, York County, shown here with Barbara Grumbine, left, making the presentation for Farm Show Director Dennis Grumbine; Pennsylvania State Ag Secretary Samuel Hayes Jr.; and Judge Kim Brock, from Oklahoma State. Brown Swiss Wins Top Honors At Farm Show Dairy Show

HARRISBURG (Dauphin Co.) -- In front of a crowded audience of both dairy exhibitors and non-farm spectators, a Brown Swiss won supreme champion of the Farm Show Dairy Cattle Show on Tuesday.

Bruce and Laura Heilinger of Lebanon Co. won the title with their senior three year old, Heilinger Ay Nina Norm Twin.

"Norm" is scored 91 points and produced 18,000 pounds of milk during her last lactation. The Brown Swiss Association recently nominated "Norm" All-American Produce of Dam, along with her sister, Heilinger Jet Nina Nadia, who won Brown Swiss champion udder and first place in the Senior two year old class at Farm Show.

This is the first time the Heilingers have won supreme champion at the Farm Show, although they have won grand champion in the past. It's also the first time that the Brown Swiss breed has earned the coveted supreme champion title since its origin in the late 80's.

Reserved supreme champion went to the grand champion Jersey cow, CLV Grove Miss Fatima. Owned by Patricia and Bryan Huff of Chester Co., "Fatima" is an eight-year-old who produced 17,873 pounds of milk during her last lactation.

"Fatima" has taken Grand Champion three times at the Farm Show. She was also last year's supreme champion

Other breed champion winners included Magic-Meadows Laser Pastel, an Ayrshire junior three-yr.-old owned by James Findley from Lancaster Co. The reserved champion Ayrshire was a four-yr.-old owned by Audrey Gay Rodgers of Mifflin County

Grand champion of the Guernsey breed went to Sniders Fayettes Horizon, a five year old owned by Aaron Gable of Bedford Co. Rutters Brothers of

FFA Honors Its Finest

ANDY ANDREWS

HARRISBURG (Dauphin Co.) — "You are the fire that burns, and the lightning behind the thunder," said Pennsylvania FFA President Elio Chiarelli Jr. to more than 2,000 FFA members, family, and friends Monday evening during the 71st Annual Pennsylvania FFA Mid-Winter Convention at the Farm Show Complex.

In line with the convention theme, the event serves as a way to "unlock the potential" talents FFA members can use to bring a better world to their families, schools, and community.

At the convention, the state FFA honored members, family, and friends for their contributions. Also, more than 250 FFA members from throughout the state received the coveted Keystone Degree. The degree recipients were individually profiled in Section 1 of last week's issue of *Lancaster Farming*.

State Agricultural Secretary Samuel Hayes Jr. noted that, when the state opened the 84th annual Farm Show last Saturday, state FFA officers were on hand. As we enter a new millennium, the state ag secretary noted, it will be the youth that will key the success of agriculture.

The new century will be "defined by each and every one of you," Hayes said. "It will be only as good as you individually and collectively make it."

Hayes noted the FFA offers tools such as life skills, leadership training, plan of work management, professional techniques to help define goals and objectives, and others to key success.

Elio Chiarelli Jr., state FFA president, noted that the association created 2,000 stuffed toy animals called "Sam — the FFA Bear," in honor of Hayes, himself a former FFA member, for his devotion to FFA. They are presented as

CATTLE: Compared to last week's closing prices, slaughter steers and heifers closed steady to .50 higher on a light week's test. The market continues to shrug off the threat of lower prices, despite weaker dressed beef values. The supply of Choice cattle is simply too light to justify a lower market, and current prices could easily digest larger receipts. Western finished cattle opened the week slightly lower, but pushed back to fully steady to end the week at 69.00-70.00 and mostly 110.00 dressed. Local Holstein steer prices ended mostly .50 lower on a rather plain offering. Demand for slaughter cows moved progressively lighter this week and prices finished .50-1.00 lower, while slaughter bulls sold weak. Supply included 34 percent slaughter steers, 6 percent slaughter heifers, 35 percent slaughter cows, 4 percent bulls, and 21 percent feeders.

Holstein bulls headed for special-fed veal barns ended the week 15.00-35.00 lower, but are still at a respectable level. Holstein heifer trading turned very active again this week and prices soared 40.00-70.00 higher.

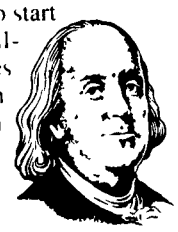
The OLD FARMER'S ALMANAC THIS WEEK WITH

JANUARY 17-23, 2000

FULL WOLF MOON, JANUARY 20.

LIBRARY BOOKS AND MAIL . . .

In honor of Benjamin Franklin's birthday on January 17, 1706, we pay homage to two of our favorite places, the post office and the library Ben Franklin was an early postal organizer and postmaster of the original 13 colonies and also helped to start the first lending library School children love to take tours of both places to learn how they work Let them write a letter, in hopes of a return reply



Letter-writing is the only device for combining solitude and good company.

– Lord Byron

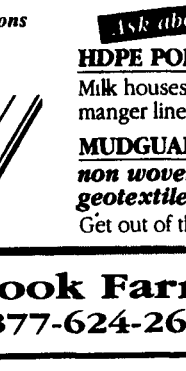
TIP OF THE WEEK

☛ **Use a color copier to turn children's drawings into personalized stationery or note cards.**

ROASTED PEPPER AND SAUSAGE RISOTTO

1 large red pepper, stemmed and seeded
4 large sausage links (lemon-garlic chicken sausages, or other)
1 cup risotto rice
salt and pepper, to taste
fresh parsley, for garnish

Roast the red pepper on an oiled cookie sheet at 350° F for about 20 minutes, until the skin has begun to scorch and peels off easily Set aside to cool, then peel and cut into 1-inch sections Meanwhile, cook and brown sausage links as directed, until well done, then slice diagonally into 1-inch pieces and set aside Cook risotto rice as directed, add sausage and red pepper, and season with salt and pepper Sauté all these together for about 5 minutes Garnish with parsley and serve



Makes 4 servings.

The OLD FARMER'S WEATHER PROVERBS

A summerish January, a winterish spring.

On St. Vincent's Day (Jan. 22), the vine sap rises to the branch but retires frightened if it finds frost.

When Prissels decided to expand their dairy operation, they also wanted to milk available tax advantages.

Randy, Dennis, Brian and Scott Prissel, Prissel Valley Farms, Durand, Wisconsin

Prissels chose a "True Tax" lease. In fact, they leased a milking parlor, free stall barns, silos and other farm equipment. Along with fixed and 100% tax deductible lease payments, the leases protected their equity ratios by providing off balance sheet financing.

They chose Telmark for its knowledge of the dairy industry, service and reputation for financing. They also enjoyed working with their Telmark representative who personally knows the ups and downs of farming.

Telmark's Scott Vosters with Brian Prissel

By financing with a lease, terms were kept to a minimum, allowing for the continued growth of the operation. Telmark's quick response allowed the Prissels to move quickly into their dairy expansion.

OPINION

Best Show Ever

The Pennsylvania Farm Show is history and officials are calling it the best ever. The Farm Show Dinner last Friday night was so well attended that rooms outside the main ballroom at the Hilton had to be used for the overflow crowd. Of course, the 180 foreign guests of the Pennsylvania Department of Agriculture that attended from 37 countries added to the list of diners. State side, important people from all segments of the food production and distribution chain were on hand to hear Gov. Tom Ridge give the keynote address.

The Farm Show opened on Saturday and cars were streaming into the complex at 7 a.m. Exhibit isles were packed both Saturday and Sunday with many consumers attending the free event of rural hospitality. Parking did cost $5.00 per car.

The opportunity for consumer education about food production from the farm to the dinner table was obvious. And more than ever before, here and there, public and private efforts were made to provide answers to questions that arose while the consuming public was enthralled with the special events and normal farm happenings that take place at the show.

What better time to explain how milk gets from the cow to the supermarket than when an interested group of city people is watching cows being milked. And the baby peeps provided by Pennsylvania hatcheries drew a constant line of visitors, especially children, with adults looking over their heads. And practically every exhibit and event in the family living section could be classified under consumer education about the farm and related food and fiber production. The major educational institutions including Penn State, Del Val and Penn were in the center of things too.

All in all, farmers working with their animals provide a draw to almost everyone regardless of their present occupation or situation in life. The children are especially attracted to the workings of the farm.

We believe state officials and agribusiness leaders did a good job of making the 84th Pennsylvania Farm Show a notable consumer education event. This chance to support a proven consumer education event comes only once a year at the Pennsylvania Farm Show in Harrisburg.

Yes, there is reason to call it the best ever. At least until after next year's 85th show when we hope An even greater event will capitalize on this one-week window of opportunity to really bring the farm to the city. Now is the time to plan for the 2001 Farm Show. Dennis Grumbine, farm show director, is.

Now Is The Time

To Find Meetings for Pesticide Credits

The time of year is here to obtain the pesticide education credits needed to keep your pesticide application license current. There are several ways to find out where meetings are being held to obtain credits. Computer users may find pesticide meetings listed on the web at

http://www.pested.psu.edu/frame.html

Phone with a FAXBACK system is available for those who do not have a computer but do have fax. Use the phone on your fax to call 814-865-1632. If you only have a phone, you may receive information from October 1 through March 31 by calling 800-Penn-IPM (800-736-6476).

You must have a touch tone phone to operate the system. If you need pesticide update training, begin early to find out where meetings are being held. As the winter progresses the number of meetings declines.

Very few meetings are available in late March.

To Prepare For Winter Snowstorm

Would you be able to survive if you were stranded in your car during a winter snowstorm or blizzard? Robert Anderson, Lancaster County Extension Agronomy Agent, offers the following suggestions for you to consider.

First, avoid travel when the weather forecast is for a severe storm. Stay at home whenever possible. Only make trips which are necessary for food and other necessities and only if you cannot wait until after the storm.

Second, equip your care with adequate safety equipment. Tire chains, shovel, sand or salt, jumper cables and a tow chain are a few items to consider. Learn to back up when the going gets tough. Once stuck, it is harder to back out of a snow drift.

Third, in areas you are familiar with, anticipate bad spots like hills and places that drift.

Fourth, keep the gas tank full. If the engine is run for only short periods of time to warm the car, a full tank will last a long time. When running the engine, make sure the exhaust pipe is not plugged with snow and that a window is left open for fresh air

Fifth, consider keeping bad weather clothing in the car along with a blanket or two. Clothing selected should be warm and kept dry should it become necessary to walk. Rubber boots, gloves, hats and a heavy coat are a few of the items you should consider having available in the car.

Remember, the best way to avoid getting stuck in a storm is to avoid driving in a storm.

To Be Safe

At Farm Show this year, one of the vocational agricultural educational displays reminded us of the importance of safety around the farm, especially for people over 65. The following farm accident statistics may encourage us to be more careful and hopefully avoid a tragic accident. There were 45 deaths from farm accidents in 1998 compared to 46 in 1997. Twenty eight of the fatalities were related to tractors.

Nineteen of the deaths were farmers age 65 or older. Four of the fatalities were children under the age of four. Just recently, a fourteen year old boy from Chester County was killed when he was caught in a PTO shaft. Please take the time to be safe.

Feather Prof.'s Footnote: "Many times the difference between failure and success is doing something nearly right or doing it exactly right."

THE BIBLE SPEAKS

BY LAWRENCE W. ALTHOUSE

THEY LAUGHED AT HIM
January 16, 2000

Background Scripture:
Matthew 9:18-38.
Devotional Reading:
Matthew 11:2-6.

When I began to study for the ministry, the healing miracles were a source of controversy, not so much within the churches as between the churches and the secular world. Many of us believed that, while Jesus' miracles in the Gospels were authentic, that was a special situation that did not extend much beyond the limits of his earthly life. I remember when Oral Roberts brought his crusade to Reading, PA and pitched his tent just a couple of blocks from the seminary. Knowing everything, as we thought we did, some of us visited his crusade one evening, primarily to sit in mocking judgment of his ministry. We decided that he was either a charlatan or a sincere man deluding himself. Smug in our theological certitude, we went to laugh at him.

Today, some of the controversy continues, but many of us are no longer laughing. In my ministry, I myself have witnessed God's power to heal. In addition, I have talked with hundreds of nurses and many physicians who believe in the healing power of faith because they have witnessed it. In his book, *Healing Words: The Power of Prayer and the Practice of Medicine*, Larry Dossey, M.D., cites more than 250 respectable scientific experiments that support the assertion that prayer for healing works.

Of course there are still those who laugh whenever prayer for healing is suggested. It was that way in Jesus' time, too. Lots of people witnessed the healings of Jesus and followed him, but there were others who were unconvinced. The four healings recorded in Matthew 9:18-38 are illustrative of the different ways people responded to the signs and wonders Jesus performed.

He Already Believes

First, a ruler or leader in the local synagogue sought out Jesus, kneeling before him and imploring "My daughter has just died; but come and lay your hand on her, and she will live" (9:18). Note that Jesus didn't go out looking for people to heal, nor did he make any claims about what he could do. The people who wanted healing came to him. Then "Jesus rose and followed him, with his disciples." Jesus doesn't have to assure the man that he will save his daughter, the man already believes he will."

While they are on their way to the ruler's house, "a woman who had suffered from a hemorrhage for 12 years came up behind him and touched the fringe of his garment. She, not Jesus, takes the initiative. Turning and seeing her, he says, "Take heart, daughter, your faith has made you well. And instantly the woman was made well.

Then, Jesus arrives at the house of the ruler and, finding a hubbub of friends and neighbors, Jesus says, "Depart; for the girl is not dead but sleeping." How did the crowd react? "And they laughed at him" (9:24). Jesus was undeterred, however, and when the crowd has been put outside, he went into the ruler's house. Taking the girl's hand, he raised her up alive!

Have Mercy!

The third healing takes place while Jesus is on the road. Two blind men come after him, crying, "Have mercy on us, Son of David." Note once more that Jesus makes no claims or promises. He simply asks the key question: "Do you believe that I am able to do this?" He did not ask them who they thought he was or what others were saying about him. It is their personal response to him that opens them to his healing power.

The fourth healing in this passage is of still a different kind. He has healed a woman of a chronic hemorrhage, raised a daughter from a coma (or death), and restored the sight of two blind men. Now, he is asked to heal a man possessed by a demon. Matthew doesn't tell as much except that the demon was "cast out" and the dumb man spoke. The crowds are exultant, "Never was anything like this seen in Israel." This time, no one is laughing. Instead, his critics complain: "He casts out demons by the prince of demons."

But neither laughter nor malicious lies will stop the miracles: "And Jesus went about all the cities and villages, teaching in the synagogues and preaching the gospel of the kingdom, and healing every disease and every infirmity.

Weekly Dairy Market Outlook

By Ken Bailey
Penn State University
January 7, 2000

December Basic Formula Price (BFP) Falls!

-December BFP is $9.63 per cwt.

-BFP declined due to drop in cheese prices

-Cheese prices at the CME weakened this week

-Butter prices stable

The USDA announced this week the last Basic Formula Price (BFP) for 1999. =

The December BFP was $9 63 per cwt. for milk testing 3 5 percent butterfat.

The December BFP is $0.16 per cwt lower than November 1999 Farmers will receive this lower price in their milk checks after January 18, 2000. This will be the last time a BFP will be used in the calculation of Class III Prices. Beginning this month class prices will be computed under the new order reform.

Why did the last BFP for 1999 decline? The December BFP consisted of two parts. The first part was the base month price of $10 48 This reflected what unregulated handlers in Minnesota and Wisconsin paid for milk used to make cheese in November 1999. The second part was the change in the butter/powder/cheese price formula. That formula fell $0.85 per cwt. It fell mainly because NASS block cheese prices fell 8 24 cents per pound and NASS Grade A butter fell 15.62 cents per pound between November and December 1999. See the following URL on the web for more detail on the December BFP: http.//www.nass.usda.gov/wi/bfp0100.htm.

USDA also announced the dairy products report this week. Butter production for November 1999 was 90.4 million pounds, down 0.8 percent from a year ago. American type cheese production in November was 288.3 million pounds, up 6.5 percent from a year ago. Total cheese output (excluding cottage cheese) was 689.7 million pounds, up 8.3 percent above a year ago. And nonfat dry milk production for human food totaled 100.5 million pounds in November 1999, up a whopping 36.0 percent from a year ago.

Cheese prices fell this week at the Chicago Mercantile Exchange Block prices fell from $1.20 per pound on Monday, January 3 to $1.14 by Friday, January 7. Likewise, barrel prices fell from $1.1850 per pound on Monday to $1.1200 by Friday. These lower cheese prices likely reflected the level of November cheese production reported this week by USDA. Grade AA butter prices remained steady at $0.8750 per pound.

The next major USDA reports to watch for are the milk production report to be announce January 18, and the cold storage report to be announce January 21. The milk production report will indicate whether farmers are responding to lower price signals by reducing milk production levels and cow numbers. And the cold storage report will provide a revised number for November cheese stocks as well as a preliminary December number. If cheese stocks fall from existing levels, it could help to strengthen cheese prices.

Gov. Ridge Keynotes Dinner, Opens

(Continued from Page A1)

the largest event the Hilton will hold this year

"We welcome new friends and old to the warmth of our dinner table," Gov Ridge said "We have broken bread together and hopefully developed rich and lasting partnerships and relationships with countries and peoples around the globe "

Ridge called the 2000 Farm Show the "greatest indoor farm show" in the nation and said this year's show was "a tribute to the generations of farm families that contribute to the welfare of the state He said 800,000 people work in agriculture jobs and contribute $45 billion to the state economy.

In the new state budget proposal next month, Gov. Ridge said he would ask for $2 million to promote Ag products both at home and abroad. This part of the budget has been increasing three times faster than other parts of the budget and is a 10 percent increase over last year. One million dollars is set for the Pennsylvania Department of Agriculture to expand participation in trade shows and foreign trade missions Another $1million is for Pennsylvania commodity groups to match dollar for dollar their efforts to market their products.

State Ag Secretary Samuel Hayes Jr., introduced Gov. Ridge and coined the "Overrun with success" quotable quote. Hayes also presented the agribusiness awards and recognized farm-city award winners.

Stonehedge Farms Snacks, York County, and The Winery at Wilcox, Elk County, were the winners of the 2000 agribusiness achievement awards.

"These two companies have made significant contributions to the development and expansion of agribusiness in Pennsylvania and to their communities as well," Hayes said.

Stonehedge Farms Snacks manufactures a variety of caramel corn and gourmet corn snack products. It was recognized in the large business category.

The company, originally named Burkey's Snacks and founded in 1981, was purchased in January 1998 by John M. Hornick. Located in northern York County, Stonehedge employs 76 Pennsylvanians, contributed over $7 million in total gross sales to Pennsylvania's economy in 1999, and is one of the largest caramel corn manufactures on the East Coast. In addition, Stonehedge also exports to both Canada and Japan, increasing the promotion of Pennsylvania products around the world.

With an aggressive hiring and retention policy, Stonehedge has been able to increase employment almost 320 percent in less than two years while making every effort to purchase trucking services, paper supplies, equipment, and engineering services and food inputs within 100 miles of the plant. Stonehedge recently introduced new products such as a school size caramel corn package and a gourmet line of chocolate drizzled and nut-laced popcorn products. The company also donates products to the York Food Bank and provides products to support the activities of the local fire department, boy and Girl Scout events and Pinchot Park Clean-Up Day.

The Winery at Wilcox, recognized in the small business category for the second consecutive year, was founded by Mike Williams in 1994. Using a severance package from his previous job, Williams began the winery in a converted custom meat processing shop. In its first year of business, the winery produced 1,100 gallons and grossed $46,000. Since 1994, the winery has greatly expanded, producing 32,000 gallons and grossing over $1 million in sales in 1999.

The Winery at Wilcox, using Pennsylvania grapes and materials in its wine production, has become a significant contributor to the Commonwealth's economy The winery employs 38 full and part-time workers and contributes more than $850,000 to the economy each year In addition, the winery also donates money, time and services to local schools, athletic and educational groups, fire and EMT service

Farm-City awards were presented to representatives of Blair County Farm-City Council, The Franklin County Farm-City Council and the Fulton County Farm-City Council for outstanding programs in 1999. Each of the winning councils had added notable events to their programs that help bridge the gap between Farmers and City and Urban dwellers.

Governor's Farm Show Tour

Gov. Ridge along with his wife Michelle and son Tom, began his annual tour of the Farm Show Complex Saturday morning with a stop inside the main entrance by the Christmas tree display to announce that 100 farms will be preserved in the next 100 days from money available from the "Growing Greener" program he recently signed into law.

"Today, we kick off the '100 Days of *Growing Greener' --a celebration of the largest environmental investment in Pennsylvania* history," Gov. Ridge said. "Over about 100 days, culminating in the 30th Earth Day celebration in April, we'll announce ways Pennsylvanians' extraordinary investment in their environment is making Pennsylvania cleaner and greener."

"It's fitting to kick off the next 100 days at the largest indoors agricultural exhibition in America -- The Pennsylvania Farm Show," Gov. Ridge said. "Over the next 100 days, we'll work to preserve at least 100 farms. The loss of open space and farmland is perhaps the biggest environmental challenge facing us in the new century. That's why 'Growing Greener' invests $20 million this year and $100 million over five years in preserving the quality of life our farmers enjoy and the beautiful vistas we all enjoy."

Ag Secretary Hayes said he will work with the State Agricultural Land Preservation Board, county farmland preservation boards, and the state's farm community to reach the goal of 100 farms saved by Earth Day.

Growing greener is a five-year program of environmental efforts to protect open space, eliminating the maintenance backlog in state parks; cleaning up abandoned mines and restoring watersheds; providing funds for recreational trails; helping communities address land use; and providing new and upgraded water and sewer systems.

Growing Greener will spend $645.9 million over five years, $105.9 million the first year and $135 million a year for the next four. It will come from about $473.4 million in new money from the State's general fund and $172.5 million in funds redirected from the Recycling and Hazardous Sites Cleanup funds, and the Landfill Closure Accounts.

Gov. Ridge walked through the Farm Show and took the traditional surrey ride into the large arena where he officially opened the 84th Farm Show, and stayed to watch the Pennsylvania High School Rodeo. The first Pennsylvania family was joined by Sec. Hayes and Farm Show Director Dennis Grumbine. The governor credited Grumbine for much of the success of the Farm Show.

Belgian Mare Named Supreme

EVERETT NEWSWANGER
Editor

HARRISBURG (Dauphin Co.) - "Lon Acres Lucinda", a 2-year-old Belgian mare owned by Ryburn Homestead in Washington, Washington County, was named grand champion draft horse at the Pennsylvania Farm Show.

"Lucy" was named the first-place Belgian 2-year-old, and best of breed on the way to the supreme award. Mark Ryburn, who owns Lucy together with his father Donald Ryburn, said his family has long been involved with horses. Horses, he said, have been kept on the homestead since his ancestors began to farm in 1793. Ryburn's grandfather Frank Ramage, now in his 70's drove horses in the Farm Show's horse pulling contests as a young man.

In the Percheron show, Knight Star Candy's Legacy, shown by Charles Porter and owned by Norma Packard, Hanburg, was the breed champion.

Roger and Linda Thomas, Aaronsburg, had the breed champion in the Shire/Clydesdale show. The winner, a stallion, is Terragold King Foolprint.

Results in the draft horse show are as follows:

Dorset and Rambouillet Are Supreme Champions Of Sheep Show

JAYNE SEBRIGHT
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) — A Dorset yearling took the Supreme Champion Ram title, while a Rambouillet yearling was honored with Supreme Champion Ewe in the 2000 Farm Show sheep competition.

Bill Leib from Shepherds Crook Farm in Cumberland Co. won the Supreme Champion Ewe title with his first place yearling ewe. The ewe also earned the champion title of both the Rambouillet division and the wool breeds.

Leib raises Rambouillets, Southbounds, and Oxford sheep, along with Boor goats. He exhibited three Southbounds and six Oxfords in this year's meat division, while exhibiting three rambouillets in the wool division of the Farm Show sheep show.

19-year-old Leib is the current Pennsylvania FFA Vice-President and had double duty at this year's Farm Show.

"I've been running from one end of the complex to the other to keep up with my FFA duties and take care of my sheep," said Leib. "Winning feels good. It makes all of that hard work and dedication pay off."

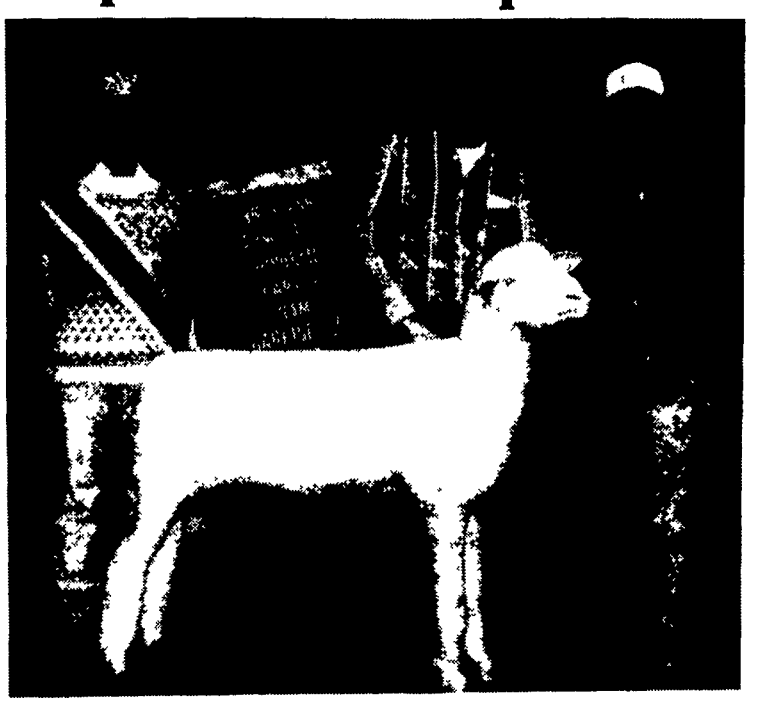
The Supreme Champion Ram is owned by Mike and Wendy Van Wagner of Van Bar Farms in Dauphin Co. The yearling ram named "Trouble" found more than trouble at this year's Farm Show, earning the championship titles of the Dorset division and meat breeds before being named Supreme Ram.

The Van Wagners have exhibited at Farm Show for the past five or six years. They showed two animals in this year's sheep show. The two animals won Champion Ram and Ewe in the Dorset breed.

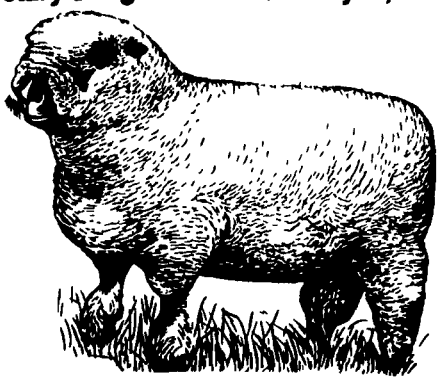
The Van Wagners have 50 to 60 sheep on their farm and run 35 brood ewes. They also have a painting and wall covering business.

"Mike runs the farm while I run the contracting business," said Wendy. "But I still get to nurture the sheep."

Bill Leib of Cumberland Co. had the supreme champion ewe at the 2000 Farm Show. From far left with the ewe are Pennsylvania Lamb & Wool Queen Ashley Shollenberger, Pennsylvania Secretary of Agriculture Sam Hayes, Jr., and Leib.



Mike and Wendy Van Wagner of Dauphin Co. took supreme champion ram honors. From far left with the yearling ram are Pennsylvania Lamb & Wool Queen Ashley Shollenberger, Wendy and Mike Van Wagner, and Pennsylvania Secretary of Agriculture Sam Hayes, Jr.



Twenty-two Awarded Scholarships At Farm Show

JAYNE SEBRIGHT
Lancaster Farming Staff

One applicant writes that "it is better to earn something that have it given to me," while another writes "if I can help one person, then I feel I have changed the world."

These are just two comments pulled from the exemplary group of young people who received scholarships during this year's Farm Show Junior Livestock Sale. 22 applicants were awarded $1,250 from the Pennsylvania Farm Show Scholarship Foundation.

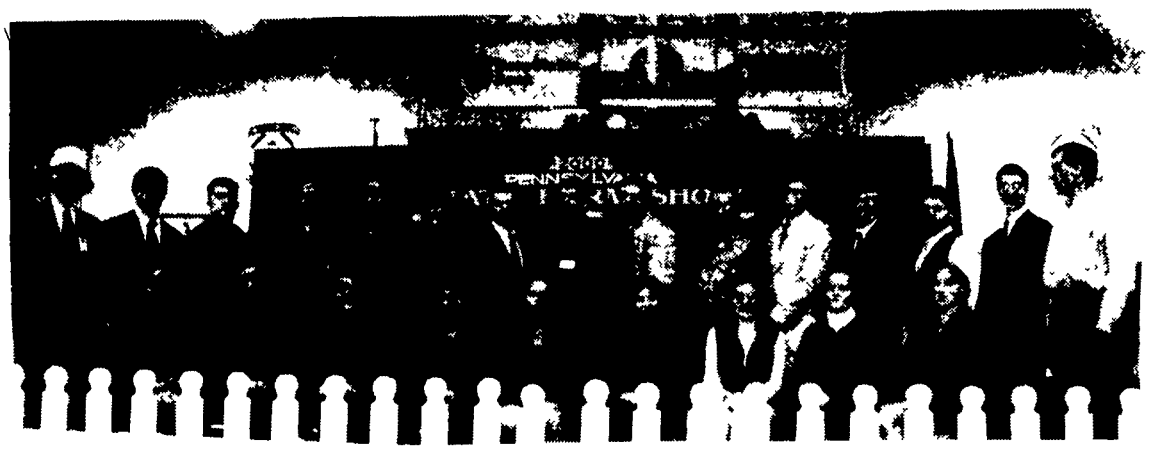
In its sixth year, the Foundation gave out more scholarships that it has ever before. The Foundation received 38 applications but felt that those winning the scholarship met and exceeded the requirements.

The winning applicants represented 13 counties from across Pennsylvania. Buyers at the Sale of Champions and supporters of the Scholarship Foundation presented the scholarships.

Winners included: Mark Albright of Glen Rock, Amy Becker of Manheim, Michael Burrell of Dover, Jodie Chapman of Washington, Justin Connor of Chambersburg, Eric Cowden of Prosperity, Travis Donough of Manheim, Michele Fetterolf of Beaverstown, Jeanette Fidler of West Alexander, Jennifer Flinchbaugh of York, Lance Gallagher of Uniontown, Robert Harper, Jr., of Uniontown, Paul Kitzmiller of Wellsville, Doug Koontz of Everett, Lisa Kwisnek of Clarksburg, Anita Manbeck of Womelsdorf, Daniel Nebzydoski of Pleasant Mount, Karen Reed of Derry, Kevin Rooker of Uniontown, Heidi Svonavec of Rockwood, Ryan Tracy of Elizabethtown, and Donald Weitzman of Philadelphia.

According to Dennis Grumbine, Farm Show Director, the quality of this year's applicants was outstanding. "We had as good a set of applicants as we've ever had," said Grumbine. "This year the judging committee made a special recommendation to accept 22 applicants, more than ever before, because they all met and exceeded the requirements."

The Scholarship Foundation has awarded an excess of $150 thousand in scholarship funds to approximately 100 students over the past six years. Money for the scholarship comes from the Sale of Champions and the Junior Livestock Sale



22 applicants received $1,250 scholarships from the Farm Show Scholarship Foundation during the Junior Livestock Sale on Thursday at the Farm Show. Presenting the scholarships were Secretary of Ag Sam Hayes, Jr., and Lieutenant Governor Mark Schweicker.

4-H Teams Compete In Potato Grading

HARRISBURG (Dauphin Co.) — Lehigh County 4-H team of Harvey Emert, Josh Wagner, Kate Harwick, and Suzanne Harwick won the Class A team competition in potato grading at the 84th Pennsylvania State Farm Show. Joe Heinsicker of Northampton County 4-H won the individual high honors award.

In the team competition, Northampton County took second place, Lycoming County third place, Adams County fourth place, and Indiana County fifth place. In the Class B team competition, Northampton took first place and Lehigh finished a close second.

Individually, Antoinette Rinker of Lycoming County and Travis Hahn of Northampton County tied for second place. Fourth place was also a tie between Shelly Vandine of Lycoming County and Josh Wagner of Lehigh County. Each team will receive a monetary award and the first three individual winners will receive ribbons.

Thirty-two contestants on eight teams entered the competition on Tuesday, January 11, according to Larry Yeager, who is with Penn State Cooperative Extension and works as a local marketing agent. Yeager is in charge of the competition and has been running this contest for the past 18 years.

"This is a good contest for youth to participate in because it teaches them good decision-making skills."

The contests also builds self-esteem as participants return each year.

The competition consisted of three parts. Contestants are asked to identify the defects of a select 40 potatoes. Such defects include deformities in shape, skin, disease, or insects. The second part consists of potato grading. There are 100 potatoes in this portion, which are to be categorized as U.S. number one grade or not. The third part requires contestants to rank five plates of potatoes in first to fifth placing.

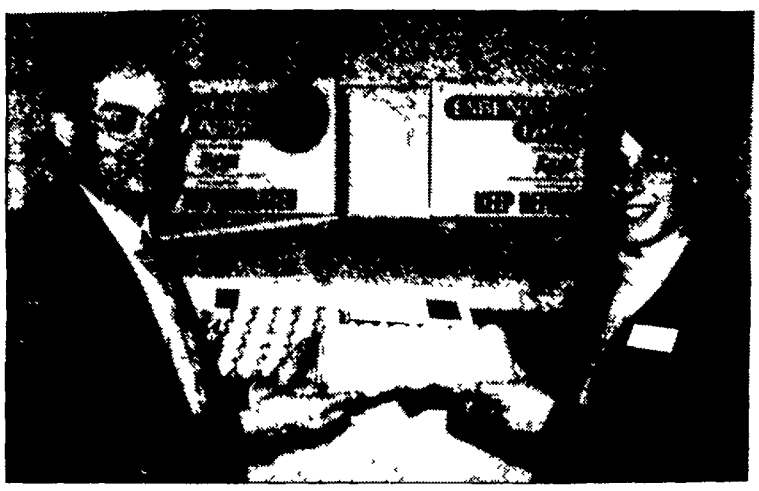
Quality Of Eggs Not Affected By Lack Of Competitors

JAYNE SEBRIGHT
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) -- A perfect score was awarded during this year's egg judging competition at the Pennsylvania Farm Show.

Lone exhibitor Esbenshade Farm from Mt. Joy in Lancaster Co. entered 41 dozen in the competition.



Lancaster County Poultry Ambassador Dana Groff from Quarryville displays the perfect dozen of eggs. This dozen of white eggs from Esbenshade Farm was awarded 100 points during the egg judging competition at Farm Show.

With his "Best Dozen White Eggs," Esbenshade was awarded a perfect score of 100 points. The eggs are judged on uniformity of weight, shape, color, texture, condition, and interior quality.

Esbenshade also received five other awards, including "Best Dozen Brown Eggs," "Best Five Dozen White Eggs," "Best Dozen Eggs In Commercial Class," and "Best Dozen Eggs In Broken Out Quality."

According to John Schwartz, Lancaster County Extension Director, the quantity of competitors did not hurt the quality of the competition.

"These are some of the highest quality eggs we've seen in recent years," said Schwartz.

New Horse-Pulling Weight Record Set

HARRISBURG (Dauphin Co.) — Billy Howard of Acme, set a new Farm Show record of 4,000 pounds during the 2000 Championship Horse Pulling at the 84th Pennsylvania State Farm Show.

The team of Howard, Buhler, and Slaybaugh won both the lightweight and heavyweight divisions. Seventeen-year-old Bobby Howard, who drove the winning lightweight team is the third generation of teamsters.

Both divisions ask the horses to exert the maximum effort during a short period of time for a safe distance, which is not harmful to the horses. Each pull lasts only five to 15 seconds, totaling a minute or two of work over the whole contest.

In the heavyweight division, the 5,000-pound pulling-pair of the Howards won first place with a full pull of 27 feet, six inches. Sam Hawley of Spartansburg, took second place. His team pulled over the record load of 4,000 pounds a total of 25 feet, six inches. Third place went to Jim Seuter of Somerset County. Sam Hawley was also awarded the Peter C. Buhler Memorial Horsemanship Award for Outstanding Teamster.

In the lightweight division, the Brown Brothers of Acme won second place and Ira Kessler of Bradford County took third. The Peter C. Buhler Memorial Horsemanship Award for Outstanding Teamster went to Charlie Brown of Columbia Crossroads.

Question: Our milk average dropped severely when we started a new high moisture corn last month and we cannot turn it around. Is there something you could suggest to help us?

The DHIA reports told the same story as the dairyman — production was off by close to 20 pounds.

Herd summary II shows that the herd normally drops from the May and June highs during this time of year. This year's drop was more severe. Past records indicate that the cows should be milking 50 to 55 pounds although the dairyman would like 60 to 65 pounds, similar to production in early summer.

Casual observations were made as we toured the barn. The cows were in very good condition and many were standing while chewing their cud. Air quality was decent. Cow comfort was above average as noted by blemishes on hocks, and several cows were able to get up easily.

One thing that bothered me was, upon watching several cows drop manure, the large amounts of yellow corn specks that were seen. When we looked at the high moisture corn it was apparent that this was the source of the specks. The new corn was put in very dry and had little fermented smell. It had been processed by a roller mill after coming out of the silo and contained a fair amount of cob, which was retained by the combine. The first change we discussed was to tighten down the rolls as much as possible so the corn would become feed instead of manure fortifier. This physical change should make more feed available for milk.

Next, we looked at the MUN report. The average was 11.1mg/dl. This is in the middle of the acceptable range and could be easily overlooked as being OK. I like to look further at this report and see what makes that average. A potential problem was noted in that most cows in early lactation made up the lowest MUN values that were part of that average. We also saw that the very highest MUN value was 14.2mg/dl. Sometimes in low producing cows, we have this very narrow MUN range. During early lactation, it is rare to not have any cows with MUN values at 16 to 20 mg/dl. The question was raised about adequate protein in early lactation cows. We looked at other parameters dealing with this question and saw that cows were not peaking at all. Herd summary II showed 41 days to peak. In other words, the first test day is the highest and then it goes down from there. Again, we think of protein in early lactation. The nutritionist will be asked about increasing the ratio of degradable protein to carbohydrates especially in those early cows.

We then talked about the feed with emphasis on the forage portion. The family is aware of the low quality of the haylage that is currently being fed and we talked about plans to help overcome this problem. Substituting a small quantity of good forage for poor will pay big dividends.

Time will tell if we have been successful at raising production. It is essential to remember that we used DHIA records in several capacities. Number one, we looked at past performance to set realistic goals. Number two, we got past blaming the feed man and moved onto solving the problem. Number three, we pinpointed some areas of concern in our feeding program. Number four, the best approach at problem solving is level thinking by all members of the team.

Will we get to the 60-pound average of a few months ago? Can we make some low cost changes to increase production? I feel certain that we can and I believe the best way to reach higher production goals is to plan now to eliminate the factors leading to low production. We need to address the physical form of the corn first. Next, we need to balance the rumen available protein with the carbohydrates especially for the early lactation cows. Lastly we need to be patient until we rid the ration of the poor quality forage.

You can see that feeding cows is a balancing act — balancing suitable physical characteristics of the ingredients, the chemical properties of the diet, and most importantly, balancing our expectations and potential. This may prove to be the most challenging.

Youth Show 176 Breeding Sheep To Compete For State Wins

LOU ANN GOOD
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) — At the Pennsylvania Farm Show, most of the 176 breeding sheep are long term projects for the youth exhibitors. Years of selective breeding have perfected the bloodlines.

Many of the exhibitors are consistent winners but every year a few new names pop up. This year was no exception.

Cheviot

Champion and reserve Cheviot were shown by Tony Haugh. This was the second year in a row that Tony won in this breed. The champion was purchased from John Eaton, and the reserve was home bred. Tony and his dad Denny have 19 head on their Red Lion farm.

Corriedale

Champion and reserve were shown by Morgan Schrock. The 15-year-old raises 10 homebred ewes on her grandpa's farm in Bloomsburg, Columbia County. The daughter of Roger and Janice reported that she won in her first year of competition at the state event.

Dorset

Champion was shown by Meredith Ruzowicz of Delaware County and the reserve by Bethany Tuhacek, Harleysville. The 17-year-old Meredith said that she had purchased the champion to add to the 25 head of Dorsets she raises. This was Meredith's first win as the grand champion but her brother Ben has won numerous times.

Hampshire

Jaimi Fought showed the champion and reserve in this large-frame breed and in the Southdown breed.

Jaimi is carrying on her family's tradition of winning at the Farm Show. Her dad John (Speedy) Fought is well known in sheep circles. The family raises 80 head on their Sulfur Run Farm in Carlisle.

Merino

Darren Crouse, 13, showed the champion and reserve Merinos. He and his brother Travis, 12, have won this distinction every year for the last four. The brothers and their parents, Lew and Debbie, have 120-head on their Sycomore farm in Green County.

Rambouillet

Billy Leib showed the champion and Christina Gardner the reserve. Leib with his parents Bob and Suzie raise many champion ewes under the name Shepherd's Crook in Mechanicsburg, Cumberland County.

Shropshire

Amanda Lynn Miller, Bernville, Berks County, showed the grand champion. The reserve was shown by Jessica McMurtrie of Pleasant Gap, Centre County.

Southdown

Jaime Fought, who also showed the grand champion and reserve in the Hampshire breed, showed the champion and reserve Southdown. Jaime is from Carlise, Cumberland County.

Suffolk

Katrina Frey showed the champion Suffolk. The Suffolk ewe is the same one that clinched the Suffolk championship last year as a lamb. In fact, it is the first lamb Katrina was given to start her flock. In the past, Katrina's mother, Nancy, and grandparents have been well known winners with their breeding flock from Breezeview Farm.

The judge said the Suffolk champion was the most put together. The same ewe had won the Lancaster County 4-H supreme champion.

"I'm going to take her home to have more lambs," Katrina said.

Shane Conaway showed the reserve Suffolk.

Montadale

In his last year of showing, Paul Kitzmiller did it again. He showed the champion and reserve in the Montadale breed. Paul with the help of his mother Thelma raise 20 head of Montadale and Dorsets on their York County farm.

Columbia

Travis Crouse showed champion and reserve. His brother Darren had won the Merino breed champion trophies. The brothers and their parents, Lew and Debbie, have 120-head on their Sycomore farm in Green County.

Oxford

Jacob Garges, Montgomery County, showed the champion and Billy Leib, Cumberland County, the reserve.

Svonavec And Burrell Capture Market Lamb Honors At Farm Show

LOU ANN GOOD
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) — For the third year in a row, a Svonavec captured the grand champion market lamb competition.

Only this year Lucas clinched the title instead of his sister Heidi. For the past two years, Lucas had to settle for reserve champion market lamb at the state Farm Show. Although that in itself is a remarkable feat because of the top quality lambs that compete, Lucas was delighted that his crossbred lamb "Yo Yo" earned the judge's admiration for tying everything together with its wide base, pretty neck, pretty shoulders, and tight top.

The Svonavec family raise about 60 breeding ewes on their 150-acre Somerset County farm. The ewes are crossbred to produce market lambs that are sold at the family's annual spring sale.

"We exercise them everyday, but it's mostly genetics," Lucas said of the market lambs impressive conditioning.

Lucas, 18, is a high school senior. Heidi is in college and a younger brother Gabe also show sheep. Parents are David and Betty Lou Svonavec.

Michael Burrell broke the Svonavec's two-year monopoly of clinching both champion and reserve titles, although it was a toss-up according to the judge of selecting Burrell's or another Svonavec lamb for the reserve.

"Both are similiar in hip structure and handle well," the judge said after prolonged inner debating. He selected Burrell's Suffolk Cross.

It was the first time Burrell won at a Farm Show. He raises about 10 breeding sheep on the family's MBC Acres. The acronym MBC stands for Michael, and parents Bill and Carolyn. The 18-year-old is a Messiah College pre-med student.

Of the show, Robert Kimm, judge and Iowa breeder, said the lambs were good and practical for the industry.

A partial listing of market lamb results will appear in next week's issue of *Lancaster Farming.*

CORN TALK

PENNSYLVANIA MASTER CORN GROWERS ASSOC., INC.

Corn Talk, Lancaster Farming, Saturday, October 9, 1999

ANDY ANDREWS
Lancaster Farming Staff

PARADISE (Lancaster Co.) — Sometimes corn has a lot more uses than you can imagine.

You know the standard uses — corn flakes, beverage sweetener, alternative combustion fuel, and others.

But there are more uses than you might have read about — and that includes, of all things, entertainment farming.

Why not make a show out of the front five acres? That's exactly what Cherry-Crest Farm, operated by Jack and Donna Coleman in Paradise, did. This year marked the fourth time in a row that the Colemans put up the "World's Largest Attended Maze," in which every year a new "theme" for the corn maze is selected.

The maze, taking up five acres, was planted in the shape of the Keystone State itself, complete with the four cities making up the corners (Philadelphia, Pittsburgh, Erie, and Scranton-Wilkes Barre). In the center is the shape of the Liberty Bell, along with ribbons along the corn row "paths" of the maze painted a different color to represent a section of the maze (yellow for the Liberty Bell, green for the state outline, red the Paradise Star, and white the stars of the major cities).

The "Land of Liberty" theme proved especially attractive for area tourists. Each day during the season the maze averaged about 1,200-1,500 visitors. Last year about 50,000 visitors showed up to tour the maze, in the shape of Noah's Ark. The first year the maze was laid out in the shape of a locomotive and the second year, a horse and buggy.

At the top of the maze, north of the "gameboard," was an America flag made up of 14,000 petunias. According to Coleman, the one-third acre flag was planted the third week of May this year, contracted with Good Harvest, Strasburg.

The corn maze itself, which opened July 2, was planted with Pioneer 32K62, a Bt hybrid, full season variety. The corn was planted May 5 in 30-inch rows. The maze theme outline was gridded out and, when the corn was less than eight inches tall, a crew worked a hoe to shape. A few aerial photographs were taken before the final shape could be finished.

The drought emergency this year had an effect on some of the tourists, but luckily, according to Coleman, enough rain had fallen. In mid-July, two irrigations were needed to keep the corn stalks from turning brown and brittle.

The maze employs about 15, mostly youth, from around the region. The Colemans also care for 60 cows on their dairy, in addition to 50,000 broilers under contract with Tyson.

The maze is open Sept. 3 through Sept. 18 Friday and

(Turn to Page 12)

The maze included an extensive petting zoo, mini-mazes, hay rides, food, refreshments, gift shop, and weekly special events. This year the Pennsylvania Master Corn Growers Association and Penn State Extension Service also had a corn products stand at the maze. Jeff Stoltzfus, Eastern Lancaster County (ELANCO) School District Adult Farmer Program adviser, center, spoke to about 60 farmer and agri-industry representatives in June during the third annual ELANCO Adult Farmer Program Spring Meeting at the Eugene Martin Farm south of New Holland. AN END TO A VERY LONG YEAR

I'm sure the 1999 growing season had as many days and hours as previous seasons, but for many of us it sure seemed like a longer than normal year.

For many, Mother Nature threw a few curveballs that resulted in some dreadful corn crops being produced around the state.

Fortunately, this kind of season is a rare occurrence that we hope does not reoccur for the remainder of your careers.

I thought I might be good to revisit a few of the issues we ran into this summer and

diversity in agriculture went to Lee Ann Tice, Cowanesque FFA, who attends Penn State. Accepting for Tice was Sarah Rouse, Cowanesque sentinel.

State stars were selected. They are:

• Production Star. Receiving this honor was Heather Bankert, Red Lion. The four-year Red Lion FFA member, 18, is the daughter of Wayne and Sue Bankert. Heather, who plants to attend Millersville University to major in special education, has served as chapter treasurer, vice president, and as county secretary and president.

• Ag Sales/Service. This award was presented to Adam Nissley, Penn Manor FFA. Adam, 17, is the son of Dave and Lucy Nissley, Lancaster. Adam has served as chapter sentinel and treasurer and is chapter president. He has completed work experience, fair hogs, and sweet corn projects.

• Specialized Ag. Andrew McMullen, Twin Valley FFA. Andrew enjoys the forestry, wildlife, and other CDEs FFA offers. Andrew, the 17-year-old son of Leonard and Susan McMullen, Morgantown, and four-year FFA member, is chaplain and plans to attend Penn State to major in forestry. He also completed wildlife conservation projects.

• Horticulture. Kelly Wilson of W.B. Saul was honored. Kelly, 17, is the daughter of James and Margaret Wilson, Philadelphia. She plans to major in horticulture at Penn State or Temple University. She has served as chapter freshman sentinel and 10th, 11th, and 12th grade vice president. Kelly has completed projects in landscape, nursery, and floriculture. She was an intern at the Morris Arboretum and at Longwood Gardens.

The two state stars were honored to represent the state nationally. They are Heather Bankert, Star Farmer, and Adam Nissley, Star Agribusiness.

Brown Swiss Wins Top Honors At Farm Show Dairy Show

(Continued from Page A1)

York Co. were awarded reserved champion Guernsey with their five year old

In the Holstein breed, Hickory Green B Star Patty, a five year old owned by Scott Walton of Cumberland Co. took grand champion. A four yr old owned by Robert Gitt of Adams Co. took reserved champion

Melissa Wolfe of Northumberland Co. took both grand and reserved champion of the Milking Shorthorn show. Plumside Snowflake, a senior two year old took grand, while Melissa's junior three year old took reserved champion.

The reserved champion Brown Swiss was a five year old owned by James Kennedy of Butler Co., while a junior three year old Jersey owned by Curtis Reichard of Franklin Co. was awarded reserved champion Jersey.

Also honored during the show were premier breeders and exhibitors in each breed. In the Ayrshire show, both titles went to Audrey Gay Rodgers of Plum Bottom Farm in Mifflin Co.

The Brown Swiss premier breeder and exhibitor titles went to the James Kennedy family, who own Four Seasons Farm in Butler Co Rutters Brothers Dairy from York Co. was named both premier exhibitor and premier breeder for the Guernsey breed.

In the Holstein breed, the Walton family, who own Tower Vue Farm in Cumberland Co., received the premier exhibitor title, while the Doll family of Dar-Dale Farm in York Co. won premier breeder.

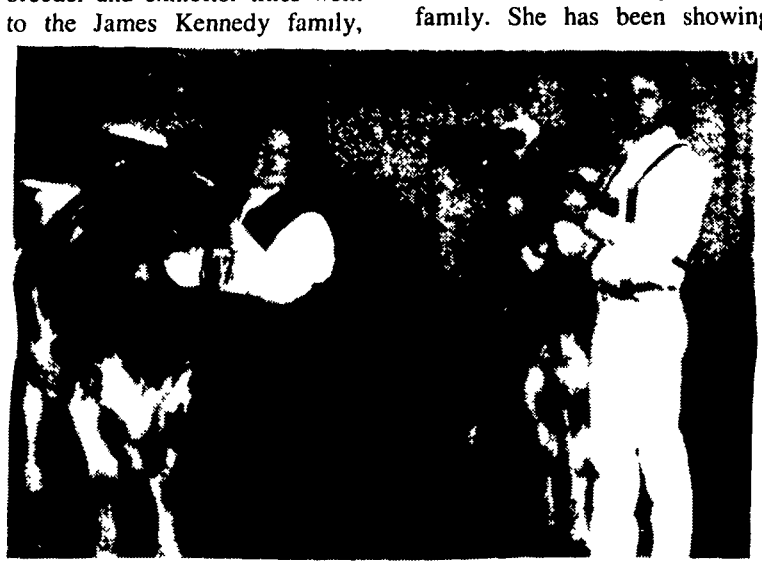
Both premier breeder and exhibitor of the Jersey show went to J. Craig and Susan E. Whicker of Centre Co.

Brian Scholl of Dauphin Co. received premier exhibitor of the Milking Shorthorn show, while the Whiting family from Designer Genes Farms in Butler Co. took premier breeder.

For the Heilingers, earning the title of supreme champion "felt great." According to judge Curtis Day's remarks to the audience at the end of the show, "Norm" is an animal that stands out as "just what you're looking for in a dairy cow."

The Heilingers own 250 head of Brown Swiss with 100 milking. Although the animals are in Bruce's name, Laura does most of the showing for the family. She has been showing since she was a kid in 4-H. "We show because it's a lot of fun," said Laura.

The Heilingers of Lebanon Co.'s Brown Swiss took supreme champion of the 2000 Farm Show dairy show. From far left are Lori Connelly, Pennsylvania Dairy Princess; Laura and Bruce Heilinger, along with their daughter Emily; and Pennsylvania Secretary of Ag Sam Hayes, Jr.



Audrey Gay Rodgers received reserved grand champion Ayrshire, while James Findley's Ayrshire received grand champion.

The Milking Shorthorn championship went to Melissa Wolfe, who is holding her grand champion animal while her father holds Melissa's reserved champion Milking Shorthorn.

Champions of the Guernsey show included (from left) Rutters Brothers who received reserved grand champion and Aaron Gable who received grand champion.

Several youth members were in this year's grand champion line up. Gable, Walton, and Wolfe also took grand champion in the youth division of their perspective breeds.

For Melissa Wolfe, who took both grand and reserved champion of the Milking Shorthorn breed, winning the championship was a shock.

"It really feels good to win," said Wolfe. "Especially since my grand champion was bred and owned."

"Snowflake" is the first bred and owned animal that Wolfe has shown. Wolfe had four animals at the show. Three of those animals won championship titles.

"I'm following in the family tradition," said Wolfe, whose father showed when he was young. Melissa's sister, Alicia, also showed at Farm Show.

Aaron Gable was also honored to have won grand champion this year. For seven of the past eleven years, Gable has won the grand champion Guernsey of the youth division.

By winning grand champion youth, he also was awarded the Scwickley Guernsey Cattle Club Trophy, a huge silver trophy the travels from winner to winner and has the past winners' names inscribed on it.

Gable proudly displays the trophy in his living room. "It's such an elite trophy," said Gable. "It's really nice to have it in my house."

While Gable's family has been exhibiting at the Farm Show "forever", according to Gable, he has been showing for eleven years. "I like to win, but I enjoying showing more."

440 animals exhibited in this year's Dairy Cattle Show, which was the first dairy show anywhere in the new millennium. Judges included Curtis Day of Shippensburg in Cumberland Co., Michael Health of Westminster, Md., and William Schnebly of Clear Spring, Md.

Dauphin, Cumberland Counties Take Top Honors In Meat Breed Sheep

HARRISBURG (Dauphin Co.) – Wendy and Mike Van Wagner, Dauphin, captured the champion ram award in the meat breed competition with their Dorset yearling, "Trouble", at the 84th Pennsylvania State Farm Show.

"Trouble" previously won champion ram at the Illinois State Fair, reserve champion ram at the Indiana State Fair, and reserve champion ram at the Wisconsin State Fair. Additionally, he told supreme champion ram at the Eastern States in Massachusetts and also placed at the North American Livestock Exhibition in Louisville, Ky.

The Van Wagners operate the 15-acre Van Bair Farm and also raise emus. They are in their fifth year of competing at the Pennsylvania State Farm Show.

Shane Conaway, Newville, took the top honor of champion ewe in the meat breed competition with his Suffolk yearling, "Pine Haven 98-1014 ET."

"We have been trying to get this award for several years," said Shane's father, John. The Conaways have been competing at the state Farm Show since 1980.

The Conaways also raise Hampshire and Duroc swine as well as Christmas trees on their Pine Haven farm of 120 acres. This is the first award for "Pine Haven 98-1014 ET."

Franklin Co. Host Dairy Day

JAYNE SEBRIGHT
Lancaster Farming Staff

GREENCASTLE (Franklin Co.) — 165 dairy farmers and agribusiness representatives attended Franklin County Dairy Day, held last Friday at Kauffman's Community Center.

The topics of discussion included fixing mastitus problems and installing proper ventilation in milking centers. Dr. James Spain from the University of Missouri spoke about managing mastitus problems from the feed trough.

According to Spain, mastitus is the most costly disease in the dairy industry today. His figures show that subclinical mastitus can cost a farmer up to $200 per cow per year, while clinical mastitus cost around $40 per cow per year.

Spain listed four factors that play a role in a cow's resistance to mastitus. Those included how fast the milk comes out of the teat canal, whether the animal leaks milk, how close the teats are to the ground, and the diameter of the teat canal.

Vitamin E, copper, zinc, and selennium in the diet can help prevent mastitus through increasing resistance, according to Spain. Feeding these ingredients can also help animals recover quicker, causing less severe damage and lower milk losses.

Dan McFarland, agricultural engineer and York Co. extension agent, reviewed the latest options in ventilating the milking facility. According to McFarland, proper ventilation should keep animals cool in summer and remove excess moisture from the facility.

He listed the four things that proper ventilation helps to regulate, including moisture, gases and odors, pollutants, and temperature. The four areas in a dairy that must be ventilated include the holding area, milking parlor, milk room, and equipment room.

McFarland emphasized that the caretakers' needs should also be considered when designing milking parlor ventilation. "Animals only spend minutes in the parlor," said McFarland. "But caretakers spend hours, and the equipment spends years."

Dr. Bhushan Jayaro and Dr. Dave Wolfgang of Penn State also spoke during the meeting. Their presentation covered bulk tank milk analysis and its relation to udder health.

28 exhibitors displayed the latest in dairy technology and resources available to farmers.

Overall, Franklin Co. extension agent Phil Wagner felt the event was very successful. "I received many positive comments, both on the overall meeting and on Dr. Spain's presentation," said Wagner.

Best Pie In Pennsylvania

LOU ANN GOOD
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) — The best apple pie in the state is Belinda Myers' Grand Apple Flan.

It's no ordinary pie. Baked in a 10-inch-deep flan pan and layered with a cream cheese filling and a mixture of apple and cherry pie filling, the handsome nut-covered flan was not only eye appealing but scrumptious enough in taste for judges to select from 54 entries.

Belinda is a seasoned cook who repeatedly wins awards for entries at several county fairs. In addition to her $150 prize, the following day Belinda won second place and $100 in the Pennsylvania's Greatest Shoo-Fly Pie Contest.

Although this was the first time Belinda won the top spot in the annual state competition Blue Ribbon Apple Pie Contest, she had placed second in the chocolate cake contest in 1989, and her daughter won first place in the Hershey's Cocoa Chocolate Bars and Cookies contest last year.

The Myers family raise beef and grain on their 200-acre farm in Dallastown, York County.

Belinda enters many of her baked goods at the York Fair, but this year she entered her pie in the Lebanon Area Fair, where it placed first to qualify for state competition.

For the third time, second place and $90 went to Charlotte Gelnett of Middleburg, Snyder County.

Charlotte described her pie as a plain apple pie with a surprising ingredient in the crust — cheese. Charlotte used Cortland apples for this year's entry. She said she also likes to use Winesap and Mutsu varieties.

Charlotte won first place at the Juniata County Fair to qualify for state competition.

Third-place winner Pamela Prisaznik of Allentown, Lehigh County, qualified at the Great Allentown Fair and received a $60 premium.

For the first time, five top winners were selected instead of three. Fourth place and $40 went to Judy Kneebone, and fifth to Sherry Cashdollar.

During the five-hour judging event, onlookers gathered to watch the judging, to support family members and friends who had entered, and to sample the pies that

After clinching the award for the best apple pie, Belinda Myers gets a hug from daughter Katie.

In her first year of competition, Betty Hockman's family felt confident her cake would wow judges. With Betty are husband Michael and sons, Luke, 20, and Joel, 14.

Chocolate Cake Is Judges' Unaimous Choice

LOU ANN GOOD
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) — Betty Hockman not only captured first place in the Hershey's Greatest Cocoa Cake Contest but also the distinction of being the unanimous choice of all the judges for the first time in 11 years.

"I knew she'd win," Hockman's 20-year-old son said, "because I know how her cake tastes, and it was the prettiest one here."

There were many beautiful cakes among the 55 entries, but the first-place one was indeed spectacular. The heart-shaped cake featured fresh flowers spilling out of the basket-weave, icing-decorated sides.

Although her hobbies are cooking and baking, the White Hall resident said this was the first year she entered state competition. In fact, it was the first year she entered a local fair (Schnecksville Community Fair) in order to qualify for state entry.

A neighbor had given her the recipe several years ago. The prize is a two-night stay for four at the Hershey Lodge and Convention Center, Hershey.

Second-place and $50 went to Connie Shuff, York. This was also her first year at the state level, although she enters almost every cooking contest in her area and wins many ribbons.

Shuff's three-layer cake featured raspberry filling made with raspberries she picked and froze during the summer. The cake was iced with chocolate cream cheese frosting and decorated with chocolate leaves and real raspberries.

"I made up the recipe after lots of experimenting," Shuff said. "My neighbors and my friends are my taste testers."

Third-place and $35 went to Janice Buskirk of Northumberland County. She said her recipe was identical to the first-place one except she used only ½ cup vegetable oil and ¾ cup peanut butter.

Buskirk said that she was inspired to enter a local fair after observing the Farm Show contest other years.

"I thought, if they can do, I can too."

She was right about that. After winning first place in both the apple pie and the chocolate cake contest at the Blue Falley Farm Show, Bangor, Buskirk qualified to enter both competitions at the state level.

Her apple pie was a finalist during the Saturday morning competition. And the chocolate cake, a favorite of husband Rick and children, Sarah, 12, and Keith, 10, was judged during the afternoon.

In the Greatest Chocolate Cookie and Bars Contest, Erica Noll's Choco-Caramel Delights topped 57 entries. She won a two-night stay for four at the Hershey Lodge and Convention Center, Hershey. The Mill Hall youth competed at the Clinton County Fair.

HARRISBURG (Dauphin Co.) — Two-time Shoofly Pie Contest winner Debra J. Martin of Conestoga in Lancaster Co. celebrated her 33rd birthday in style on Sunday at the Pennsylvania Farm Show.

Taking first place in this year's Shoofly Pie Contest, Martin was awarded $500 from Ron Glessner, owner of Golden Barrel products from Honeybrook in Chester Co.

Second place and $100 went to Belinda Myers of Dallastown in York Co. Lorna Frick of New Cumberland in York Co. received third place and $50. All three contestants received gift baskets of Golden Barrel products and Farm Show rosettes.

The Farm Show Commission was slightly disappointed with this year's turnout. Down from last year's 74 contestants, 27 contestants entered their shoofly pies in this year's competition.

According to Beverly Gruber of the Farm Show Commission, the Farm Show started the shoofly pie contest as something new for which people didn't have to preregister.

"We don't know until 2 p.m. how many contestants we will have in the contest. But, so far each year, the entries taste excellent. Some have chocolate and maple syrup, while others have walnuts. We get all variations."

Martin's winning recipe included macadamia nuts, vanilla, and a mixture of both light and dark syrups.

"Last year's had pecans and vanilla," explained Martin. "But, at the last minute, I decided to add macadamia nuts instead of pecans. So mom had to drive me to the store at 11:30 a.m. for the nuts."

Suffering from a foot injury, Martin couldn't drive herself, but she knew the pie just wouldn't be complete without the nuts.

While Martin's pie was a variation of something she found in the Golden Barrel recipe book, Belinda Myers created an original recipe with her second placed "Cappuccino Shoofly Pie."

"Creativity is this," said Myers. "I worked really hard to get this flavor."

Myers's recipe includes milk chocolate bits, coffee, kauhla, and cappuccino hot mix, along with the basic shoofly pie ingredients.

Myers was a two-time winner at this year's Farm Show. Along with taking second in the shoofly pie contest, she placed first in the Apple Pie competition on Saturday.

To build excitement and keep the crowd interested, the Farm Show Commission invited a string band made up of area high school students to play during the judging process. "Raisin' Kane" featured bluegrass music that had the audience stomping their feet and clapping their hands. Even Secretary Sam Hayes Jr. was dancing to the music.

Winning for baking entries is a family tradition for this three-generational family. For the second year in a row, Deb Martin won the Shoofly Pie Contest. She credits her mother, Dorothy Martin, for baking expertise. With them are Dorothy's son Steve and his children Angie, 11, and Tim, 13. "These are my replacements," Dorothy said of her grandchildren who entered state competition for the first time this year. The family entered between 40-50 items in Farm Show competition.

According to Ron Glessner, the contest is a huge success for both the Farm Show and Golden Barrel Products. "Shoofly pie is a great Pennsylvania tradition, and this is a fun and unique way to promote one of Pennsylvania's favorite foods."

Five judges selected five finalists during the first part of the

are cut and served to the crowd after judging.

"I don't bake. I just eat," a man in the crowd said when asked why he attended the event.

Judges included Roxanne Price, York County Extension; Patricia Powley, Dauphin County Extension; Rick Kepler, National Resources and Conservation Service; Joanne Ketterer, family and consumer science high school teacher; and Brad Flick, radio disk jockey, who has judged for five or six years.

While scores were tallied, Flick explained the idiosyncracies of judging to the crowd. He said, "I made the mistake of eating three-fourths of each pie the first time I judged and ended up not feeling too good."

Now Flick has judging down to a science. First he judges each pie on overall appearance.

"If it knocks my socks off, I give it a high score," Flick said.

He checks the texture of the crust, the doneness, and tastes the crust separately to determine the flavor. Then he checks the filling for consistency and for ingredients used, followed by taste-testing.

Separate scoring is giving for overall color, texture, doneness, and appearance of crust, and for filling flavor, consistency, and creativity.

In the beginning round of judging, the pie entries are divided among the five judges. Each judge selects five pies from his or her group. The 25 pies are considered finalists and judging begins all over again, with each judge scoring the pies.

"Every pie is delicious. No pie that made it to the Farm Show is a loser," Flick said. Each of the entries needed to qualify by placing first at one of the 1,074 local fairs throughout Pennsylvania.

Because some people live far from the Farm Show site, pies are sometimes baked at midnight in order for the contestant to travel to the Farm Show in time.

According to Jacquelyn Everitt of the Department of Agriculture, a pie was delivered by UPS overnight mail just in time for judging.

Here are the top three prize-winning recipes.

competition. After announcing the finalists, the judges then selected the first, second, and third prize winners.

Contestants entering the competition had to submit a baked pie and the recipe. All recipes had to include Golden Barrel Products.

At the end of the competition, samples of all the pies were served to the audience.

"The area was crowded with people waiting to taste the samples," said Gruber. "It always amazing to watch peoples' reactions, some who have never tasted a shoofly pie before."

Foreign Exchange Program Needs Host Families

LAKEWOOD, Colo. — The American Intercultural Student Exchange, a non-profit educational foundation, is seeking local host families for high school foreign exchange students for the 2000/01 school year. AISE's students come from 25 countries throughout the world, and the program continues to expand. Every year, AISE places exchange students with over 2,000 host families throughout the United States. The students live with American families and attend local high schools during their 10-month cultural exchange experiences.

Host families provide these young ambassadors with a place to sleep, meals, and a family atmosphere in which to live. AISE students are eager to learn about our government, history, and customs, while at the same time leaving a lasting impression of their cultures in the minds and hearts of their American host families and peers.

For information on hosting a student in your home call: 1-800-SIBLING, or visit the AISE web site at www.aise.com.

Tioga County Dairy Princess Stefanie Long writes that at her house some things never change with the new year.

She writes that in the past, her family has collected many recipes, many of them have been passed down from their Pennsylvania Dutch ancestry.

"Being of this heritage, I have learned to put dairy products in just about everything," Stefanie said.

She especially enjoys making recipes as they were originally made by her ancestors, and then adding her own personal touches.

Here is a recipe, which was handed down through the generations, but that Stefanie adapted to suit her own personal taste.

"It's quite a simple dish that tastes great this time of the year," Stefanie said.

POTATO SOUP

7-8 large potatoes
5 cups water
2 onions, chopped
1 can cream of celery soup (undiluted)
1 can evaporated milk
1 can creamed corn
Salt and pepper to taste

Peel potatoes and bring to a boil in water with onions until soft. Simmer and add evaporated milk, cream of celery soup, and creamed corn. Simmer for 20 minutes and serve.

2 tablespoons vegetable oil
1 pound ground beef
½ cup tomato paste
¼ cup honey
3 tablespoons water
1 tablespoon vinegar
2 teaspoon Worchestershire sauce

Turn onto board that has been sprinkled with remaining flour.

Knead until dough is smooth and satiny. Place in large bowl and brush with melted butter. Cover and let rise until doubled. Punch down and divide into thirds. Let rest 10 minutes covered with a towel.

Shape into three loaves. Place in greased loaf pans. Cover and let rise until doubled.

Bake in 350-degree oven for 45 minutes. Remove from pan to rack to cool. Makes 3 loaves.

ANSWER — Lynda Bell, Lincoln University, wanted a recipe for horseradish jelly. Thanks to Kathi Taylor, Shickshinny, for sending one.

Horseradish Jelly

3 pounds tart apples, cut into chunks (do not core or peel)
2 cups sugar
½ cup prepared horseradish, drained well

Place apples in a large, heavy saucepan and add enough water to cover. Bring to a boil. Reduce heat and simmer 30 minutes. Strain juice through a colander into another saucepan; discard solids. Line colander with a double layer of cheesecloth and strain juice again in a clear saucepan. (It will take about one hour for juice to drain). Place saucepan over medium-high heat and bring juice to a boil. Add sugar and cook gently until it reaches 220 degrees on a candy thermometer or until a few drops gel when placed on a plate or in a freezer. Stir in horseradish and simmer one minute. Skim foam and discard. Pour jelly into sterilized jars. Seal and store in a cool, dark place.

Yields about two pints. Serve on crackers with cream cheese.

Thanks to Audrey Minns, Finger Lakes, N.Y., for sending this recipe, which is obviously different than the other one.

Horseradish Jelly

½ cup finely ground horseradish
½ cup vinegar
3½ cups sugar
½ cup liquid pectin

Combine horseradish, sugar and vinegar, stirring to dissolve sugar. Bring to boil and add pectin, stirring constantly. Boil hard one-half minute. Remove from heat; skim and pour at once into small jelly molds that have been rinsed in cold water. Unmold when firm. Makes five small molds.

Best Times Still Free At Farm Show

At the 4-H booth, Dillon Shaffer, 5-year-old son of Randall and Susan Shaffer of Spring Grove, and Jacob Haring, 5-year-old son of Jeff and Lyn Haring, Hanover, participate in a game with Katina Showman, 4-H agent.

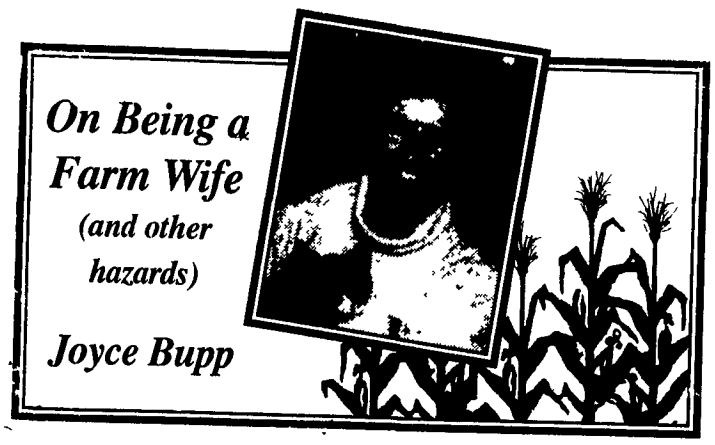
The Family Living area is designed for children, but as evidenced by this photograph, adults also find the animal programs intriguing.

Contestants in the Farm Show Fashion Show included Carly Bowser, 3, Hummelstown, and Luciano Abbarno, 5, Lancaster.



"Get the best, smartest, fastest ways I've learned to do just about everything."

Well geez, I think, I sure could use some smarter, faster ways to do lots of things. So I slit open this shiny, colorful, "personal" invitation from home-arts guru Martha Stewart, mostly just to see the free gift inside.

Inside was a plastic stencil of the sun and a quarter-moon. Just what I need. But, with year-end and year-beginning accounting details, tax records finalizing, and extra holiday activities, calendar-turning-time always seems to fly by in a blur. Maybe Martha had some tips here that could help me.

What I found in the "personal" invitation, along with the free plastic stencil, was a free guilt trip.

What's wrong with me?

Our decorative candles (which I do love to burn for their wonderful fragrances) are no longer pristine-perfect, like Martha's. Nor are they surrounded by tastefully decorated fresh pears set on a bed of shiny green leaves and clusters of bittersweet berries.

No indeed. Our decorative candles are burned down to a nub and surrounded by a whimsical assortment of cushy, "stress relief" squeezable cows. Our grandsons love the squeeze-cows, utilizing them as decorator accent pieces artfully tucked into choice spots ranging from hidden in the houseplants to peeking at us from under the television set to swimming in the bathroom sink.

Did I mention those cows are tastefully appointed, in stylish black-and-white, with colorful accents and the finishing, humorous touch of plastic sunglasses? Hey, we may be plastic, but we're chic plastic.

What's wrong with me?

While Martha wants me to have rooms graced with just the right lighting, I'm tickled if the bulb doesn't blow when I flip a switch. Which happens in bunches at our house. Wonder how Martha handles voltage surge fallout?

What's wrong with me?

Artsy-craftsy is fun, but when would I ever concoct pansy pillows or a strawberry pot? Our current favorite art takes the form of Sunday School nursery creations and holiday cards. Interspersed with those are some highly-imaginative modern stuff done in swirls of green and yellow crayon, "tractor" drawings made by tiny, precious hands. We even have sculpture, thank you very much, assorted magnetized shapes which can readily be displayed and arranged on either the fridge or the dishwasher gallery.

Martha would cringe at our homey afghan throws on the couch — which bear the name of a cow womer mingled in with the farm scenes. Our frail, aging housecat, doesn't care a hoot except that they be soft and snuggly, even if The Farmer does snitch them from her while he watches TV (with his eyes closed). And she's likely to be aghast at the cheap generic rug under the coffee table which has replaced the hand-braided one my mother gave me years ago — sparing the destruction of the sentimental one from Darrah Dog, who shapes throw rugs into dog nests with her agile paws.

In a final enticement, Martha coaxed me with pastel-colored advertising to speedily send back my order for more guilt, so that I might be one of the lucky first 50 return orders to be awarded a 52-piece cake decorating set.

The cake decorating set which lived here for the last 30 years just moved to our daughter's house over the holidays. With it, she was obligated to take the dust layer which had accumulated on it for the past 28 years.

What's wrong with me?

Reality, that's what.

Sorry, Martha. Maybe next year.

Scooper Bowl Raises Money For Kids With Cancer

LOU ANN GOOD
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) — Scooper Bowl 2000 attracted ice cream lovers, the fun-loving, and those with a sympathetic heart.

For a $3 donation, Farm Show visitors last Saturday could fill their bowls with ice cream donated by Turkey Hill and Gallicher's. The donation benefitted the Four Diamonds Fund, a pediatric cancer fund for children at the Hershey Medical Center.

Participants were also entertained by a celebrity ice-cream eating contest. In this event, sportscasters and well-known sports figures were blindfolded on the stage. Behind them were children who were also blindfolded and who benefit from the Four Diamonds Fund. At the "Go" signal, children fed the celebrities ice cream cones.

"They must eat it, not wear it," officials instructed.

In a matter of seconds, the champion, Mike McHugh of the Hershey Bears, had gulped down the double-dipped cone fed by 10-year-old Matthew Christman of Berks County.

Other Four Diamond participants included Logan Warfield, 9; Katie Austin, 13; Alex Kessler, 9; Stephanie Moor, 11; Samantha Liddick; and Holly Gaston, 12.

Celebrities included Gerson Echerverry, Tom Werma, Pat Principe, Dennis Owens, Bruce Richarsen, and John Curtis.

The primary purpose of the fund is to pay for medical costs not covered by insurance. In addition, the fund provides patients with specialized nursing care, child life specialists, social workers, a clinical psychologist, and music therapist.

With the Gallichers cow are Kathleen Pale, 14 Abigail Pale, 3; Emily Pale, 10; and Earl Martin, 12.

Champions of the celebrity ice cream contest are Hershey Bear's Mike McHugh and Matthew Christman of Berks County.

Pork Campaign Brings Positive Attitudes

DES MOINES, Iowa — More U.S. consumers have favorable opinions of pork in recent years thanks, in part, to the producer-funded Pork. The Other White Meat® advertising and promotion campaign.

The survey found that the 87 percent of Americans who have seen or heard about pork through the industry's Pork. The Other White Meat advertising, public relations, retail and foodservice efforts are much more likely to think favorably about pork in all areas, from taste to nutritional value. Eighty percent of consumers aware of the campaign also reported they would most likely be eating pork within the next month, compared to 60 percent of consumers unaware of the pork campaign.

Fifty-six percent of consumers surveyed this year have a favorable opinion of pork, up from 47 percent in 1993. Among consumers who are aware of the checkoff-funded Pork. The Other White Meat campaign, favorable opinions were almost 60 percent. Consumer attitudes and usage of pork, beef and chicken were measured using a Meat Attitude and Usage Tracker Survey.

"The Pork. The Other White Meat campaign was a bold move by the U.S. pork industry when it was launched in 1987," said Steve Schmeichel, a producer from Hurley, S.D., and chair of the producer-driven Demand Enhancement Committee. "These survey results reinforce why pork producers continue to use Pork. The Other White Meat as the cornerstone for our marketing and advertising programs."

In 1999, $20.9 million, 57 percent of the national pork checkoff dollars, were invested in domestic demand enhancement programs. USDA is forecasting U.S. pork consumption for 1999 at 53.9 pounds per person, 1.3 pounds higher than last year and the highest per capita consumption since 1981.

Pork's overall consumer favorable rating of 56 percent is up from 54 percent taken in May 1998. The survey also found that beef's favorable rating increased from 64 to 67 percent this year while chicken remained unchanged at 84 percent.

"Results of this survey will help the U.S. pork industry target future communications efforts and narrow that gap by emphasizing pork's key area of appeal to consumers: being a lean, white meat that is something different from their usual routine," said Schmeichel.

The Meat Attitude and Usage Tracker telephone survey, funded by the pork checkoff, surveyed 1,000 consumers between the ages of 25 and 70.

Faces Who Make The Farm Show Go Round

Pennsylvania Honey Queen Renee Blatt and Dave Calderone, president of the Capitol Area Beekeepers, show Farm Show visitors how honey is extracted.

Sometimes the only place to sit at the Farm Show is the floor. Here the Manese family from Rothsville take a lunch break. Parents Paula and Tim with children, Valerie, 6; Virginia, 8; and Stuart, 4, said they come each year to eat and look around.

James Coy demonstrates broom making using broom corn, which grows like regular corn but produces seeds instead of ears.

Elisa Ranck fills more than her role as Lancaster County's Dairy Princess, here she models a gown, which won first place in the formal garment division Farm Show Fashion Show.

After eight years of entering the state hay contest at the Farm Show, the Christ family from Johnstown took best of show. Walter Christ said drought conditions resulted in less than one-third of the hay they usually cut. In addition, Christ Farms, Cambria County, took eight ribbons for oats, dried corn, barley, and shelled corn.

Taking a quiz at the Safe Kids booth, from left, are Leah Christ, 10; Beth Christ, 9; and Sondra Christ, 10, while cousins Daniel and Ginny Christ watch.

Carolyn and Frank Lore, fiber artists from Montgomery County, demonstrate flax making.

It's an envious accomplishment to win Best of the Show, but for two family members to win it in the same year is almost unheard of. Laura Miller and her mother Grace, at left, both won the award. Laura, who is modeling a gown for the fashion show, won the award in the youth division for another dress she had made. Her mother won the award in the adult division.

Saving For Holiday Spending

You have just completed a holiday of "cheerful giving" and now the post-holiday "blues" are setting in because the credit statements are now arriving and may continue to do so through March (remember those advertisements of "spend now and don't worry about a payment until February or March").

It's a common problem in a majority of households across America, but it doeesn't have to be. You can begin now, even when you're trying to pay for the past holiday, to plan for next December.

The first step is to look at the amount you have spent. It that's what you typically spend, then divide the amount by 12 and do everything in your power to set aside that amount each month, through a Christmas Club at the bank or through your own savings account. DON'T TOUCH IT FOR ANYTHING ELSE! If you're saying to yourself, "Right, I don't have the extra to set aside," then it's time to take a long look at what you are spending money on and try to "find money you didn't know you had." There may be things you're doing that could be cut down or cut out.

The next step is to plan ahead for next year's giving. The most expensive gifts are those that are purchased in a panic at the last minute.

• Stick to a budget — Spread it over a month and review it weekly for the first couple of months. The need to start a budget for the holidays is now. If we get taken up with the joy and excitement of the holidays and don't stick to a budget, we're going to lose sight of the fact that we need to have money set aside for necessities like shelter and food.

• Keep a permanent gift ideas list — whenever you're at a family gathering this year, search for gift ideas (Brother's bathroom scale rusty? Sister's favorite handbag showing wear?)

• Stockpile gifts — have a gift shelf of interesting crafts, free samples, bargains found at garage sales, pretty notepaper, leather wallets, small picture frames. Sooner or later you'll find the right person to give them to.

• Don't insist on new gifts — garage sale and attic treasurers can be a hit (antique dolls, old baseball cards).

• Be creative — throughout the year take some time to tape old albums of someone's favorite songs; look through photo albums for a "buried treasure"; frame some special snapshots; put together a small cosmetic bag filled with sample sizes of shampoo, conditioner, Band-Aids, aspirin, toothpaste, etc. for a frequent traveler on your list; dry your own flowers and make arrangements; get children involved and make "hand-painted T-shirts and aprons using tempera paints.

• Spend time instead of money — throughout the year make some handmade gift certificates; an afternoon at the museum; a promise to clean the garage; organize tools for someone; give a child or an elderly adult a gift of time (one-on-one excursions to park or malls); make a gift of someone's favorite meal (prepare it and freeze it for their future use).

• Opt for personal rather than lavish — handmade, thoughtfully chosen or uniquely appropriate.

• Cancel duty gifts — If you're still exchanging presents with former neighbors you never see, relatives you don't like, or co-workers you're reluctant to offend, stop. Chances are they'll be relieved — provided they have ample warning. At a family gathering or by sending an early holiday card, explain that you've decided to reduce your gift list this year so you can contribute more to the homeless (or another worthy charity). Then do it!

If you have fallen behind because of "holiday past," it's difficult to catch up again. You may be finding yourself in a situation where you have to pull money away from critical living expenses to pay for debts that you incurred over the holidays. This can be avoided by planning ahead.

I hope that these suggestions, that you can put into place throughout the year, can help toward planning for a holiday season next December that is truly joyful and the New Year is not "blue."

Farm Women Maintain Purpose In New Millennium

LOU ANN GOOD
Lancaster Farming Staff

CAMP HILL (Dauphin Co.) — The 81st annual convention of the Society of Farm Women of Pennsylvania marked a new century and a new format, but many things remained the same for the organization, founded in 1914.

Its 2,459 members continue to give time and money to help the unfortunate, to live by the their motto "For Happiness," and to believe that by "brightening the corners where they are" enriches their own lives.

This was the first convention in which members departed from holding morning and afternoon sessions at the State Forum followed by an evening banquet in a hotel. On Monday, the business session, banquet, and entertainment were conducted at the Radisson Penn Harris, Camp Hill, to better accommodate members. The banquet was served at the noon meal instead of a separate evening event.

The organization was founded in 1914 by Mrs. Frank Black of Somerset County to encourage farm women to preserve the spirit of patriotism and sacrifice, to foster love for farm and rural life, and to uphold the dignity of farming.

Members continue to uphold the same principles as evidenced by opening each session with scriptures, prayer, and salute to the flag. They meet monthly in one of the individual societies scattered throughout the commonwealth.

This year alone, the state organization awarded scholarships totaling $9,000 to college students pursuing agriculture and home economics-related degrees. They donated $4,000 to Habitat for Humanity. On the county level, thousands of more dollars were contributed to meet community needs.

These figures are commendable for any organization, but what makes it even more impressive is that most of the membership is retirement age. In fact, many of the members are in their eighties and nineties and live in retirement homes. Members who are able help with fundraising efforts by operating food booth sales at fairs, auctions, and other events, through cookbook sales, and a variety of novel ways.

Conducting a memorial service for the 64 members who passed away in 1999, from left, are Pat Diechart, Lorraine Rittenhouse, Edith Lehman, Karen Sellers, and Catherine Schott.

After nine years in state leadership, Lois Hughes, left, pins the president's pin on Catherine Schott.

After addressing the Farm Women Convention, Secretary of Agriculture Samuel Hayes Jr. receives a Pennsylvania commodity basket from Becky Swallow, vice president.

Carole Hostettler talks about the outreach of Lebanon County Christian Ministries.

Naomi Bupp, left, hands an $8,000 check for cookbook sales to Carolyn Neal, treasurer for Farm Women.

At the convention attended by 244, new officers were installed. After nine years in leadership, Lois Hughes handed over leadership responsibility to her successor, Catherine Schott.

According to the by-laws, the president fills a three-year term after serving three-year terms as second vice president, and first vice-president before being installed as president.

The newly-installed president is from Lebanon County, and has been active in the organization for 43 years. Catherine has served in all county offices in the county except secretary. On the state level, Catherine has served terms as director and as the first and the second vice president.

The peppy member of Lebanon County's Society 16 promises to solve complaints voiced about the convention.

Moving up from second vice president to first vice president is Becky Swallow from Somerset County.

Installed as second vice president was Mary Fizz of Berks County; Carolyn Neal of York County, treasurer; and Sharon Engle of Franklin County, secretary.

New directors installed included Fay Stare, Cumberland County; Florence Diehl, Adams County; Emma Spencer, Huntingdon County; and Joanne Zane, Cambria County.

Naomi Bupp presented an $8,000 check accumulated from

Millennium Creativity At Philadelphia Flower Show

PHILADELPHIA (Philadelphia Co.) — "Gardens for the New Millennium," the sweeping majesty of the Philadelphia Flower Show will transform the Pennsylvania Convention Center, March 5 through 12, into a 10-acre floral wonderland with an extravagant display of flowers, exotic plants, blooming trees, and lush landscapes.

All the creative excitement of space-age designs intertwined with sophisticated and classic garden vistas will be showcased as futuristic forms, plants, and lights punctuate a spatial experience that connects the terrestrial with the universal.

Windmills rotate their blades generating power; a futuristic elevated train whooshes overhead; a communication center of tomorrow pulsates with light; and the romantic fragrances of roses, delphiniums, lilacs, and foxgloves will waft through the sophisticated Gardens for the New Millennium.

Three New Year's Eve parties explode with period excitement from 1922, 1945, and the Millennium party in Philadelphia's own City Hall. Pass a farm from the 1700s nestled in the woods of Pennsylvania by a forest stream, stroll by a miniature meadow and then pass under a railroad trestle of the future with the rebirth of Philadelphia in the year 2100 where each house manifests the individuality of its owner in flower.

A spirit-world dreamer in a house of painted clouds with a backyard tea garden, a winemaker celebrating the sensuality of the craft, an organic gardener, an art afficionado, and a community arbor connects enlightened neighbors in this neighborhood of tomorrow. A few paces away a transformed 18th Century market structure connects the neighborhood to the world through an illuminated community center pulsing with electronic information.

Further into the magnificent hall the Queen's gardeners from Alice in Wonderland will be painting their white roses red, a garden party takes place in a space pod on the moon, and Victorian tea parties, a topiary elephant, larkspurs, azaleas, rhododendrons and sunflowers will entwine the visitor with mystery, intimate settings and up-to-date horticultural excitement.

The world-renowned amateur division (with a history dating back to 1829) showcases more than 2,000 individual entries in categories such as rare plant specimens, Bonsai, miniature arrangements, floral niches, room settings, nature's jewelry and hundreds of specialized categories.

This bedazzling wonderland of landscapes, forest settings, and creative displays boasts gardens from the alpine to the tropical. It also presents a mammoth marketplace where more than 130 vendors sell everything from bulbs, birdhouses, pots and plants, to seeds, flowers, tools, topiaries, and lighting and watering systems.

In addition to the multitude of exceptional free lectures and demonstrations, there will be two free daily culinary presentations by local and celebrity chefs who will offer excellent decorating and gourmet preparation tips from garden to table. And this year the chefs will focus on using local produce in their culinary creations.

The American Gardener's Backyard, the innovative gardener's playstation, located in the grand hall, is complete with "hands-on" demonstrations of the latest garden tools, machines, and accessories. Visitors can witness (and try!) the newest horticultural wizardry as local and national manufacturers and gardening experts offer excellent advice and tips.

The Gardener's Studio features experts — local and national — who will speak and demonstrate on hundreds of gardening topics from a stage on both sides of the hall. The Lecture Series, located at the concourse adjacent to the exhibit hall, will also feature celebrity gardeners and flower arrangers in daily hourly sessions.

While at the Show, visitors should pick up a daily schedule that will give an up-to-the-minute schedule and location of all the lectures, demonstrations, culinary presentations, and speakers. Schedules will be available at all show entrances.

Showgoers are encouraged to celebrate Flower Show Week and explore the "City That Loves You Back!" A free "Bloomin' Fun Pass" is available at the show and offers citywide discounts and special offers to local restaurants, museums, theaters, concerts, gardens, and shops.

Philadelphia is a city steeped in history, one can stroll from the show and explore eight of the most historical blocks in America. There are guided trolley tours, a laser light show at the Fels Planetarium, the world class Philadelphia Museum of Art, dozens and dozens of events in conjunction with Flower Sow Week, and all are within walking distance of the Flower Show.

Advance tickets, $15.50 (good any day) can be purchased online www.philaflowershow.com and participating PNC Bank branches, SEPTA ticket outlets, nurseries, and florists. Group orders may be placed by calling PHS at (215) 988-8899 for a reservation form. For more information about The Pennsylvania Horticultural Society and the 2000 Philadelphia Flower Show, visit us at www.philaflowershow.com.

Show dates are March 5-12. During the week, hours are Monday through Friday from 10 a.m. to 9:30 p.m. On weekends the Show operates from 8 a.m.-6 p.m. on Sundays and on Saturday, March 11, 8 a.m.-9:30 p.m. Best viewing hours are weekday evenings, 3 p.m.-9:30 p.m. Tickets may be purchased the day of your visit at the door. Weekends: $18 for adults; $16 weekdays. Children ages 2 - 12 are $8 (good any day).

cookbook sales to be used for scholarships.

"I'm so proud. I never imagined such a nice cookbook and so many orders," Bupp said of the cookbook, which is in its 10th printing and has earned $72,000 in profits. About $50,000 remains in a trust fund, which accumulates interest for the scholarship fund.

Not all the organizations' activities are spent raising money. Social events include picnics, trips, and entertainment meetings on beautifying body and soul.

Membership dues remain at $3, which is distributed with $1.30 going for state dues, 65 cents for county dues, 65 cents for group dues, and 40 cents for state scholarships.

Esther Stuber, 88 years old, was perhaps the oldest member to attend the state convention. She started attending Farm Women when she was 14 years old.

In other business, Secretary of Agriculture Samuel Hayes Jr. commended the members for their loyalty to agriculture.

While the group makes valient strides to recruit new members, such as operating a booth at the Farm Show for the first time this year, enrollement continues to shrink because of the aging membership. Last year alone, 64 members passed away.

A memorial service was conducted in remembrance of the 64 members. Conducting the service were Lebanon County Society members, Pat Diechart, Lorraine Rittenhouse, Edith Lehman, and Catherine Schott. A monetary rosebud was placed on an artificial tree as the name of each deceased member was read. The memorial included scriptural reading and "The Lord's Prayer," sung by Catherine Schott.

The money was then donated to Lebanon County Christian Ministries for use in feeding the hungry. Carole Hostetter, who represented the Ministries, said that this past year, 21,911 noon meals were served in addition to food provided to needy families.

Also noted was that Nellie Morgan, president of the Huntingdon County Society of Farm Women, was named "Farm Woman of the Month" by the county's local radio station.

Entertainment was provided by Carol Kline, who performed country classic songs made famous by Patsy Cline, Tammy Wynette, and Ann Murray.

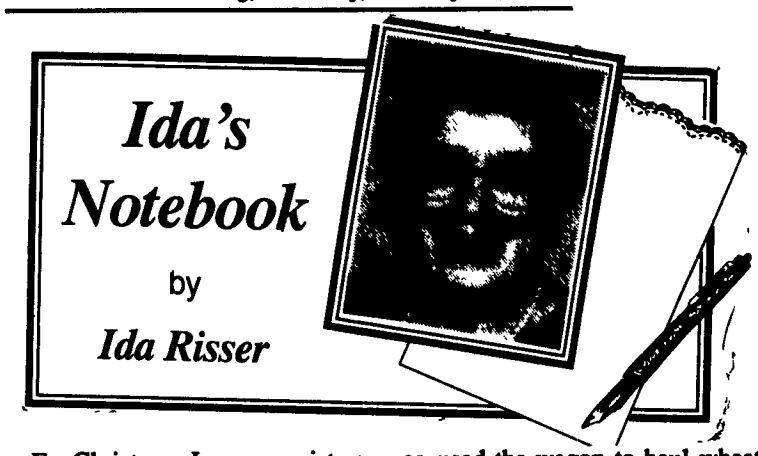
"My research has convinced me that lack of oxygen is the root of most or perhaps even all disease"
- Dr Shizuo Inoue



For Christmas, I gave my sisters and our children big pictures of the Shreiner Conestoga wagon. Our daughter used her computer to print the names of the people on the picture. I was about 10 when the picture was taken to be published in a book on Conestoga wagon. My three times great-grandfather, John Michael Shreiner, used the wagon to haul wheat to Philadelphia before the Revolutionary War.

When our children come home they tell me to mark my dishes in the corner cupboard as they can't remember what I tell them. Even I can't remember from where some of them came. Some have been in the family while others were bought at public auctions.

The other week I tackled a job that I had been putting off for months. When my husband picks his elderberries, I put them in freezer boxes and store them. The idea is to make jelly in the winter when I'm not busy with garden things.

Well, when they were boiling, I stood at the stove and watched the kettle of purple juice. As I glanced away for a moment the juice rose to the top of the six-quart kettle and despite my lifting it off the burner, it kept boiling over the edge.

It did not seem possible that this happened but it did. So, I had to spend 45 minutes cleaning the whole top of the stove. It is one of those jobs, like making raspberry jelly, that you only want to do once a year.

New York State Dairy Princess Pageant, ADADC Annual Meeting Scheduled Feb. 22-23

SYRACUSE, N.Y. — The American Dairy Association and Dairy Council, Inc. (ADADC), announces the annual New York State Dairy Princess Pageant to be held on Tuesday, February 22, and its annual meeting to be held on Wednesday, February 23, at the Holiday Inn, 7th North Street, in Liverpool, N.Y.

Festivities begin on Tuesday with a milk punch reception at 5 p.m. and a banquet at 6 p.m. County dairy princesses from throughout the state will compete to be the 2000-2001 New York State Dairy Princess (currently Jo-Anna DeBlock, Orange County, New York). An ADADC 1999 Program Presentation will highlight the "got milk?" advertising campaign and the promotional contributions of the Consumer Promotions, Nutrition Education, and Communications work groups. On Wednesday, ADADC's annual meeting will begin at 8 a.m. The agenda includes financial, advertising, and program updates.

The pageant culminates two days of judging for the contestants. The judges will be looking for the young women who most effectively promote milk and dairy products, based on a personal interview, impromptu and prepared adult speeches, and informal interaction with others. Though only one state princess and two alternates will be selected as state representatives for the dairy industry, promotion is a team effort, and all county dairy princesses and their courts are important in increasing milk and dairy product consumption.

In addition to the three state representatives who will receive awards of $1,200, $700, and $600 respectively, awards will also be presented to three girls in each of the following categories: adult speeches, written communications, and product knowledge. In addition, three girls will receive a public relations award, designed to recognize special-events efforts at the local county level. "Miss Congeniality" will be selected from the contestants and recognized as the dairy princess who demonstrates the most friendliness and cooperative spirit of competition.

Two college students will receive the ADADC Memorial Scholarship and Leo Briggs Memorial Scholarship. Both $500 scholarships are based on grade point average, extracurricular activities, future plans, and a 400-word essay discussing the applicant's commitment to a career in the dairy industry.

The Robert S. Turner Promoter of the Year Award will be presented to the county that has done an outstanding job promoting milk and dairy products. Selection is based on the number and types of promotional activities conducted by the 1998-1999 county dairy princesses and their courts.

Finally, a Golden Cow Award will be presented to an adult county dairy promotion committee member, as recognition for outstanding service and dedication to local dairy promotion in New York State.

Banquet tickets are $20 per person and must be reserved by Friday, February 7. Make checks payable to ADADC and mail to: Deborah Mathers, American Dairy Association and Dairy Council, Inc., 219 South West St., Suite 100, Syracuse, NY 13202-1205.

The Holiday Inn is located directly across from exit 37 of the New York State Thruway. From Route 81 North or South, take exit 25-Seventh North Street. Go to the end of the ramp and take a right. The hotel will be straight ahead at the "T" (one mile).

'Passing On The Farm' Workshop

MARTINSBURG (Blair Co.) — Who will be the next generation of farmers? "According to the 1997 Census, 17 percent of Pennsylvania's farm operators are age 70 or older. Potential replacement farmers, under age 35, make up only 8 percent of our total number of farm operators.

"At least one-quarter and as high as one-half of our farms could change hands in the next 15 years. How we address this problem will affect agriculture in Pennsylvania for generations to come," said Farm Link Director Marion Bowlan.

To help farmers and potential farmers plan for the succession of their farm business to the next generation, Pennsylvania Farm Link sponsors workshops that provide information for farmers on the decision-making process needed for a successful farm transfer. It is never too early to begin this process.

The fifth workshop in the "Passing on the Farm" series for this winter will be Feb. 10 at the Morrisons Cove Memorial Park, in Martinsburg, from 9:30 a.m. to 3:30 p.m.

Information on business planning, loan resources, legal issues in a transfer, start-up strategies, how to bring the next generation into the farm business, record keeping, and estate planning will be presented.

Participating agencies and individuals include Pennsylvania Farm Link, Penn State Cooperative Extension, Farm Credit, Farm Service Agency, Pennsylvania Department of Agriculture, Blair County Agricultural Land Preservation Board, estate planners, attorneys, and local farmers.

Call Farm Link at (717) 664-7077 by Feb. 3 to register for this workshop or to obtain information on this or other programs. Lunch will be served at the restaurant at a cost of $8. The Cove is located on South Walnut Street in Martinsburg off Rte. 164.

ANDY ANDREWS
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) — A light red Duroc gilt named "Millennium Million," exhibited by Bettie and Dave Holloway of Holloway Genetics, Glen Rock, uniquely put together "all the traits necessary" for the marketplace, according to judge Kim Brock, Stillwater, Okla.

Brock picked the Duroc supreme champion last Saturday at the Farm Show Bred Gilt Show.

Brock, who selected the champion of its class the previous day, chose the March gilt because, he noted, judges look for lean when selecting a grand champion.

The February Duroc gilt class was the largest one of the day up until the grand champion Duroc was selected, yet of the 22 head exhibited in the February class, none placed champion.

In the Duroc class, Brock selected the "very functional, complete gilt" exhibited by Brad Hilty for the William Hilty family, Mt. Pleasant, for reserve. Brock noted the wide dimensions on the January gilt, HJW9 MS Git N Go (S: SSC18 St. Bernard 1-5, D: HJW8 Ms Git N Go 6-4).

John Tigner Jr., Hartly, Kent County, Del., purchased the supreme champion gilt last Saturday for $1,200. A total of 189 head of swine, 31 more than last year, were auctioned last week. The swine sale averaged $327.80 per head, which represents a $76.20 per head increase compared to last year, according to the Farm Show.

The grand champion Hampshire gilt, shown by Ken, Janet, Janine, and Brandon Winebark Family, Myerstown, brought the highest price, $1,375, at the sale, sold to Jessica and Lane Innerst of Red Lion. The swine sale generated a total of $61,950, which was a $22,195 increase over last year.

Auctioneer was Harry H. Bachman.

Following are descriptions of individual class winners.

Berkshires

A gilt that was "tremendous in length of body, a stout gilt with good rib shape" captured the attention of Kim Brock, show judge from Stillwater, Okla.

The grand champion was the March gilt shown by Greg Innerst, Innerst's Berkshires, Red Lion. The gilt, GBI 9 Buck's Pattie (S: RTS8 Buckskin 4-3, D: ADF4 XNH Pattie 66-4), was tall and "modern" to the judge.

Reserve champion was, according to Brock, the "well-made, stout gilt, a well-structured gilt," he said. Reserve went to Todd and Cheryl Bennecoff, Kutztown, for the January gilt, TLB9 MS Raw Fire (S: MFB7 Mr. Rawhide 85-1, D: TLB3 Miss Fireball 9-5).

Chester Whites

Though the February gilt in this class provided some tough competition, which Brock said was a "terrifically correct" female when picking it champion of the class, Brock went with the younger hog, the March gilt, for champion.

The March gilt was "classy and balanced and opens up well," Brock said, awarding the younger gilt champion. The grand champion Chester White was exhibited by Ken and Anna Wetzel and Family, Rossiter, KWF 19 Sturdi Gal (S: SC7 Austin '97 39-2, D: F19 Sturdi Gal).

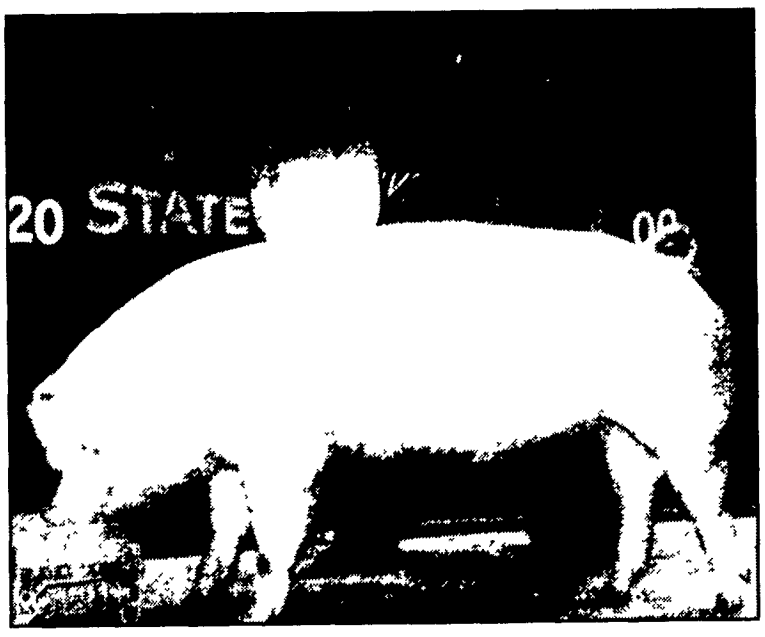
Reserve champion Spotted China gilt was won by Lazarus Brothers. At left is Lorissa Lazarus and right is John Strawbridge.

Spotted gilt champion went to Lazarus Brothers at the Farm Show. From left, Lorissa Lazarus and Grant Lazarus Jr.



Ken Wetzel exhibited the grand champion Chester White gilt at the Farm Show.

Reserve also went to the Wetzels for the February gilt, a gilt which Brock pointed out amazed him when he chose it for February class champion. To have a gilt that was big and open with muscle and "still be structurally correct," he noted, was amazing. The reserve was KWF 19 MS Tonto Gonzal (S: SC7 Austin 97 39-2, D: KWF17 Ms Tonto Gonzal 8-10), a tremendous gilt, Brock noted, for its combination of traits.

Hampshires

From her profile, the February gilt was a pretty one, "big and tall and beautiful," said Brock. The gilt, shown by Brandon Winebark of Winebark's Hampshires, Myerstown, "has the most potential to make hogs better in the Hampshire breed," Brock said.

Brandon exhibited KLW9 Golden Girl 1-8 (S: JZP5 Golden Icon 44-5, D: KLW6 Bobbi Franchise 2-1).

The reserve champion, shown by Brandon's sister, Janine, exhibited the most in terms of breed characteristics. Janine exhibited KLW9 Golden Girl 1-7.

Landraces

Brock was impressed with the March gilt shown by Grant A. Lazarus III, Germansville, LAG9 MS Data Unique (S: LAG7 Data Aris 10-8, D: LAG7 Ms Milkmans Uni 1-3). The gilt tied it all together, noted Brock — it's "durable and feminine and broody and puts it all together very nicely," he said.

Reserve went to the "second most progressive" gilt, the March second place gilt shown by George P. Billig, New Tripoli, BGP9 Kate (S: SB16 Maxwell 906 96-6, D: BGP8 Kate 9-7).

Polands

The March Poland China moved a little more freely and was more complete in muscle than others during competition, Brock noted.

The grand champion went to Melana Lovell, Maple Spring Farm, Linden, for MEL9 Miss Zena 29380003 (S: KWB8 Concrete Is Bionic 3-4, D: ZB7 Miss Ice 6-7).

Reserve went to Cheryl Bennecoff, Kutztown, for CAB9 Awesome Oak (S: DDP6 Awesome 23-5, D: CAB3 F Miss Cruiser).

Spotteds

The big black gilt shown by Grant Lazarus "easily puts the most together," Brock noted, in terms of skeletal extension and length of body. The grand champion went to Leslie/Lazarus Brothers, Germansville, for the January gilt, LLB9 Ham & Loin (S: ZSF6 H&L 10-3, D: LLB7 Justice 7-5).

Reserve went to the "widthy" February gilt, LLB9 Dex Stand, also shown by Leslie/Lazarus Brothers.

Yorkshires

The February gilt, a "stout brood sow," noted Brock, was "adequate in all traits." It beat out the March gilt, one of the most challenging classes, even though the March gilt was a "real complete gilt."

The grand champion was shown by Rattlesnake Mt. Farms, CBH9 Sue (S: CLL5 Roc Challenge 6-10, D: CBH7 Sue 22-6). The reserve was the January gilt, a gilt Brock said is a hog that points to the most important Yorkshire traits and is

Reserve champion Chester White gilt went to Anna Wetzel at the Farm Show.

OUR STUDENTS OUR FUTURE
Teachers, administrators, buildings, and equipment are vital to a good education Few would argue with this But students cannot learn if they cannot get to school. That's the problem! There is a serious nationwide shortage of school bus drivers, and that shortage is also right here
Our drivers are skilled, dedicated professionals who care about their student riders, find daily interaction with them rewarding, and take pride in safely performing this essential job They strive to be the best, but we don't have enough of them
FARM FAMILIES, retirees, shift/flexible time workers, seasonal employed, self employed, housewives/husbands, undecided career changers, or those looking for a new direction-please consider this vital service
What you get good pay - not minimum wage, morning and/or afternoon assignments (we're flexible), average 3 to 4 hours daily with free time for yourself, optional extra assignments, no nights or weekends, same holidays and vacations as school students, summers off, incentive bonuses, health insurance available, company-paid training, travel program benefit

Seventh Year Is Charm For Supreme Swine Exhibitor

ANDY ANDREWS
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) — Debbie McAllister is all too familiar with the adage "if you're not successful the first time, try, try again."

She had to try about seven times to get it right.

But the fruits of Debbie's efforts paid off handsomely Tuesday afternoon when, after showing seven straight years at the Farm Show, Debbie took home the supreme champion trophy at the Junior Swine Show.

Debbie, 14, daughter of Scott and Barb McAllister and a freshman at Penns Valley Area High School, showed her 251-pound light heavyweight division champion, a Hampshire/Yorkshire crossbred supreme champion named "Gracie," to supreme market hog.

This Centre Hall 4-H Ag Club secretary purchased the hog in October from Keith Bard, Ebensburg. Debbie said she enjoys exhibiting at the Centre County Fair. She noted she won reserve junior barrow on foot at the Keystone International Livestock Expo last October.

For the second year in a row, Tom Baas, Iowa State University Extension swine specialist, judged the show. Baas noted how close the show was. Though Baas noted the quality of the breeds compared to the crossbred competition, he pointed out the strength in genetic diversity of the crossbreeds.

"Good purebreds (be)get good crossbreeds," Baas said.

For reserve, Baas noted the reserve overall crossbred champion. On the crossbred championship drive, Baas spoke about the "big-framed, bold-shouldered, wide-fronted, well-balanced, heavily muscled, and sound hog," he said, shown by Ryan Balzano.

Ryan, 16, is the son of Mary and Ted Balzano, Gallitzin. This was Ryan's first championship in eight tries at the Farm show.

A junior at Penn Cambria and Clover Club 4-H member, Ryan exhibited the 258-pound Hampshire crossbred hog to heavyweight champion.

Ryan attributed the reserve overall championship to feeding it correctly. He didn't have to exercise it, as so many 4-H'ers do, to ready the hog for the show.

Ryan also shows at the Cambria County Fair.

There was a total of 379 exhibitors, up 17 from last year, at the junior swine show. Of those, there were 289 crossbred hogs and 90 purebred.

Following is a list of show placings.

Farm Show Conducts Draft Horse Driving Competition

HARRISBURG (Dauphin Co.) — Exhibitors from across the commonwealth harnessed their horses Sunday for the draft horse driving competition at the 84th Pennsylvania State Farm Show.

In the first set of driving classes, exhibitors could enter a single draft horse hitched to a cart. In the single horse hitched class (gentlemen to drive), the cart and horse entered by Alfred and Donna Rovenolt of Turbotville, Northumberland County, took first place.

In the single horse hitched (ladies to drive) class, Alice Matson of Wyalusing, Bradford County, won the blue ribbon. The horse and young driver entered by Janice Ruhl of Manheim, Lancaster County, took first place in the single horse hitched (junior youth to drive) class, and the entry owned by Richard, Hutch, and Dirk Hamilton won the single horse hitched (senior youth to drive) event.

Four farms entered the six-horse hitch contest, with the wagon and hitch owned by Alfred and Donna Rovenolt taking first place. The Rovenolts' entries also won the four-horse and team hitch classes.

In the unicorn hitch class, three horses — a pair hitched directly in front of the wagon and a third horse harnessed in front of them — pull a vehicle. The unicorn hitch entered by Roger and Linda Thoms of Aaronsburg, Chester County, won the class. In the team obstacle course, a precision driving contest, each driver maneuvered a pair of horses and a wagon through traffic cones, drove with the vehicle's wheels aligned with stripes on the arena floor, and drove the wagon across a wooden "speed bump," pausing with the vehicle's rear wheels precisely atop the obstacle. The two-horse hitch entered by Walter and Lucille Rice of Delta, York County, received the highest score in the event.

On The Mark, Get Set, Grow!

The 6100 Series Rigid And Vertical Fold Planters.

Precision farming starts with precision seed placement. And that's exactly what you'll get with the White 6100 Series planters. Our pull-type planters feature an exclusive air-metering system that's designed to singulate every seed. Its low air pressure, edge-drop seed discs and short, 18" seed drop ensure precise seed placement for maximum germination.

practices both now and in the future. They're built rugged with a massive 7" x 7" frame and strong, welded-tongue design to handle the demands of heavy residue. Add a 6900 splitter attachment for interplant capability.

This season get the planter that places each seed where it'll grow the best — and perform the best. Stop by your AGCO® White Planter dealer today.

Adaptable To Any Tillage Situation.

Our 4, 6, 8 and 12 row planters have the flexibility to meet most tillage

Corn borers won't know which brand of seed you plant. But your banker will.

YieldGard® controls corn borers all season long. That's a fact. But DEKALB brand YieldGard hybrids are only introduced in elite germplasm that's been researched and tested to give you the best possible return. Considering that, which hybrids would you rather bank on next spring?

Champions Win Again At This Year's Beef Show

ANDY ANDREWS
Lancaster Farming Staff

HARRISBURG (Dauphin Co.) — For one exhibitor, it was a repeat. For another, it was a "threepeat" — winning the open beef show contest at the Farm Show three years in a row.

The second time was nothing but sweet for Carl Detwiler, Roaring Spring, who exhibited an early senior heifer calf, Bolsens Golden Sapphire (S: Fernvale Eurloch, D: Bolsens Cattleman 9151), to supreme champion heifer.

"It's the most exciting thing," Detwiler said. "I can't describe how exciting this is."

Detwiler attributes a lot of hard work, "a lot of time, and a lot of hours," he said, to winning a supreme champion. He also said genetics and "luck" go into it.

The year-old calf, at 1,400 pounds, was purchased from Bolsen's Angus Farm, Lovington, Ill.

Detwiler is a freshman studying agriculture business management at the Penn State Altoona Campus. He is the 19-year-old son of Allen and Joy Detwiler, Roaring Springs.

For supreme champion bull, it was a "threepeat" for Mount Joy exhibitor C.J. Furlong, who exhibited the grand champion Hereford bull at the show, he said, three years straight.

Furlong's champion was the early junior yearling bull, Dunwalke Cash 72F (S: NTW Charlie Russell 72F, D: Dunwalke Cameo F37).

C.J. Furlong once worked as herd manager for Salunga Acres, Mount Joy. Now he works for his own company, C.J. Cattle Company, Mount Joy. (Last year Salunga Acres ceased operation and disbursed the herd after the death of its founder.) Furlong noted the bull is used on three operations — Durham Farms, Riegelsville; Storm Valley Acres Farms, Frenchtown, N.J.; and Dunwalke Farms, Far Hills, N.J.

Claudia Macik of Durham Farms spoke about the partnership over the bull. The bull is used for natural service and for AI. As a young calf, noted Bob Macik, the bull was worth at least $5,000 — now, the value of the bull continues to rise.

Other division winners were announced.

In the Angus division, reserve champion heifer went to the early summer heifer calf, Weaverland Erica Cassidy (S: Gdar Executive 727, D: KJC Ericas Jillian), exhibited by Heather Fuls, Richland.

Grand champion Angus bull was the April junior yearling bull, Cedar Hill Ct Keystone (S: JDH Keystone Ext, D: Koolspring Barbara 438), exhibited by Cory R. Thompson, Wellsville. Reserve was the junior bull calf, LVA Saughatchee Sonic 901 (S: Leachman Saughatchee 3000, D: Twin Oaks Regina 2177), exhibited by Kimberly A. Long, Airville.

In the Charolais division, grand champion heifer was the late spring heifer calf, BCF Nellie 212B-P (S: BCF New Trend 992P, D: BCF High Lady 802P), exhibited by Raymond A. Bratton, McVeytown. Reserve Charolais heifer was also shown by Bratton.

Grand champion Charolais bull was exhibited by Cliff and Lynn Orley, Lebanon, with their senior bull calf, SMR Heyday 718 Polled (S: Baldridge Fast Track, D: GF/WW Dot 5071). Bratton of McVeytown showed reserve Charolais bull.

In the Hereford division, grand champion heifer was shown by HJF Cattle Company, Midland, HJF Cheyenne (S: HJF Slick 4D, D: HJF Rockie Ruby 2E), a late spring heifer calf. Reserve went to Maple Springs Farm, Mount Joy, for the junior heifer calf, MSF 698 Vesty 9903 (S: RB Victor Dom F242 698, D: Salunga MS Vester 55D).

Grand champion Hereford bull was the supreme overall champion, Dunwalke Cash 72F, shown by Storm Acres, Durham. Reserve bull was the late spring bull calf, MSF 30F Frontier 9915 (S: Salunga 751W Vic 30F, D: MSF Lady Bond 9301), shown by Maple Springs Farm, Mount Joy.

In the Simmental division, grand champion heifer went to the late junior yearling heifer, STF I'm The One (S: LRS Preferred Stock, D: R&J Promise), exhibited by Cassandra Schaeffer, Myerstown. Reserve heifer went to the late spring heifer calf, WF Vicki, shown by Jerry and Ginger Woolcock, Orangeville.

The Simmental champion bull went to Maple Cove Breeders, Bedford, for the late junior yearling bull, Shoemaker's Top Gun (S: Burns Bull X339U, D: Shoemaker's Miss Pride). Reserve bull went to the summer yearling bull, LLL BLK Hunk (S: LLL BLK Chunk, D: Deer Button), exhibited by Larry Hughes, New Oxford.

In the Limousin show, one exhibitor swept the classes. Grand champion heifer was awarded to the late junior yearling heifer, Quail Run Stacey (S: Orion, D: Exlr Stevie 311B), exhibited by Ed Nicol of Maple Lane Farms, Enon Valley. Reserve went to the heifer in the same class, Nico Fuzzy Navel (S: Cole First Down 46D, Nico Polled Porsha), also exhibited by Nicol.

Grand champion Limousin bull went to Nicol for his early spring bull calf, Nico Polled Bia Time (S:

Grand champion Maine-Anjou bull went to Bob Mikesell and Mid-State Maines, Port Royal, for the late spring bull calf, Mid-State Woodsman (S: Mid-State Forrest, D: Mid-State Sierra). Reserve bull went to Walter Cattle Company.

Judges for the show were Tom Turner, Columbus, Ohio, who judged the Angus, Charolais, and Limousin breeds. Judging the Hereford, Simmental, and Maine-Anjou breeds was Matt Clays, West Lafayette, Ind.

Following is a list of show placings.

GOLDEN PRO 46 XP
This natural, mechanically extruded and expelled soybean product is experiencing great acceptance with local dairymen. A course golden colored meal with a 6% fat content, Golden Pro 46 XP is extremely palatable. Golden Pro 46 XP is a natural way to bring the value of high by-pass protein into diets that require a lower fat level.

GOLDEN MEAL 40
An 18 percent fat content along with a 40 percent crude protein makes this mechanically extruded meal product a valuable component in a variety of rations Full fat content gives you a high level of digestible energy, while high temperature extruding ruptures the oil cells for better nutritional absorbtions.

CRUDE SOYBEAN OIL
A product of Keystone's expelling process, this oil can be used in a wide variety of on farm applications. A natural alternative to animal fats, this oil provides needed energy in various rations.

PURINA'S SUPER EXT.

IMPROVED PRODUCTION HERD

Pennsylvania DHIA's Improved Production Herd Is Fed Purina's Super EXT

For Smith Oak Farm, a century farm located north of Reynoldsville in Jefferson County, the increase in milk production over the last year has been so dramatic, they have won an award for it.

Brothers Paul and Harry Smith and Paul's son Bill Smith represent the 4th and 5th generation dairymen on the farm, and they received a 1999 Pennsylvania DHIA award for herds with most increase in production. And no wonder. In November of 1998, when the Smiths switched back to Purina's Super EXT program their rolling herd average was 17,944m 709f 592p. On the latest test (December 1999), 13 months later, their 63 registered Holstein cows were producing an average of 22,111m 790f 703p. That's more than 4,000 pound of milk per cow.

"Before we switched back to Purina the cows were just not eating the grain." Bill said. "We had left Purina for about a year to try to get a cheap feed. But when the milk price was high last winter, we decided to try to produce as much milk as possible. That's when we came back to Purina and started to buy performance rather than price."

Today, several cows have milked 150 lbs., and they keep high production month after month. For example Wink made a 305 day record of 30,125m 1,136f 923p and is now fresh again milking 150 lbs. Jazz at 8y11m made 31,491m 1,286f 923p and is back as a 10-year-old cow milking 134 lbs.

Not only do the cows eat better," Paul said. "they keep good body condition scores even when milking 130 lbs. The cows keep milking more than 100 lbs. for six months or longer. We keep a 13.4 calving interval, which we consider really good. In addition, cows get ready to work on Purina's Prepare dry cow program and they don't seem to slow down over freshening like they did.

At Smith Oak Farm, a dramatic increase in production has come since the herd was placed back on Purina's Super EXT program. In the photo from left, Rob Hinton, Purina district manager, with Paul, Bill, and Harry Smith, farm owners.

The herd is fed TMR with a custom blend Super EXT 34 to meet individual production needs up to 65 lbs. Higher producers are fed a top dress of EXT 24 according to needs.

Smith Oak is also known for their show herd that has done well in regional and national shows. Locally, last year, the farm received both the premier breeder and premier exhibitor banners at the Jefferson County Holstein show.

The Smiths compliment Farm and Ranch Supply in Warriors Mark, and Rob Hinton, district manager for the personal attention they give the herd, and for the timely deliveries of feed to the farm.

"We have found the Purina feeding programs to be more profitable," Bill said. That's the main reason why we believe the future is bright here at our farm."
